

CONNECT Business Challenge Committee Report

Committee: Connect Business Challenge Committee

Chair: Nora Vacariu Webster

Email: connectbusinesschallenge@mccpta.org

As indicated in the April Business Challenge Committee report, due to constraints of distance learning and the negotiations made between the unions, the Connect Business Challenge will not happen this school year.

Once we have a better idea of the MCPS plans for the next school year, we will coordinate a remote meeting with the partners to discuss plans for the next school year. All the partners expressed interest in working together next year.

Please note that we haven't used any of the budget for the Connect Business Challenge Committee.

Nora Vacariu Webster

Connect Business Challenge Committee Chair
