

What has taken place in our redemption is far beyond our human comprehension. Yet the Lord has given us certain words within the scriptures that help to give us a greater understanding. The word REDEMPTION means, "The act of freeing or state of being freed by payment of a ransom or price."

In this teaching Dr. Hohman shows us by definition, Biblical truths of the cost of our redemption along with the guarantee for everything that pertains to this life and of Godliness. All of which is freely given to us because of our redemption by Jesus Christ.
