

PORTICO has supported over 150 Clients during a 20-year period! Our organizational experience is vast! Our consultants have years of experience, have started and sustained businesses, know what it takes to perpetually fund a payroll and how to cash flow an operation. We have pride in our combined wisdom, ingenuity, experience and education. We are strategic, practical, innovative, solutions-driven and will add value to your organization.

We have knowledge of and demonstrated experience in most types of business, including Profit and Non-Profit organizations. Our experience spans social services, the Arts, retail, food processing, health care, wholesale distribution, senior living, education, heavy and light manufacturing, printing, medical device manufacturing, pharmaceutical, legal and accounting, commercial contracting, property management, energy, franchise organizations and information technology.
