Regional Conference for Retiree Councils 7 & 8

**You're Invited!
Thursday
Sept. 21**

Once you are a member of NYSUT, you are a member for life. Even in retirement your union continues to protect and enhance your rights.

NYSUT works to preserve your income, including Social Security and Medicare; and provides education on relevant topics and social opportunities to enrich the lives of our members.

Join your fellow NYSUT retirees from Cayuga, Madison, Oneida, Onondaga and Oswego counties on Sept. 21

to learn new strategies for maximizing your life in retirement. The program, scheduled for 8:30 a.m. to 3:00 p.m., includes continental breakfast, presentations, workshops and buffet lunch.

For full descriptions of the workshops and to register for the conference, either scan the QR code at left, or go to: nysut.cc/RC7and8-2023

Please copy and submit a separate registration form for each guest along with payment.

Regional Conference for Retiree Councils 7 & 8

The day includes general sessions and two mini-sessions of your choice. NYSUT Second VP Ron Gross, ED 51 Director Loretta Donlon, and Regional Staff Director Christopher Colabello will share the latest happenings at NYSUT. Barry Kaufmann, president of NYS Alliance for Retired Americans, will engage us with information about keeping our retirement benefits secure and Steven Kramer, attorney with Feldman, Kramer and Monaco, P. C., will update us on some of the legal aspects of aging and retirement. Our local PAC, VOTE-COPE and legislative representatives will share important strategies as we prepare for upcoming election seasons. Special guests include Senator John Mannion; Beth Chetney, NYSTRS Trustee; and local members of the NYSUT Board of Directors. The day will conclude with an informative and engaging presentation with Bill Muench, Todd Hobin, and Paul Muench, who will discuss their documentary "The Artist and the Astronaut". You will be informed and entertained!

There will be information tables to visit throughout the morning with handouts on NYSUT and local community services.

While issues of retirees remain our central focus, the education climate in which our in-service colleagues work, the students in our schools, and the health of the communities in which we live also demand our attention and support. This conference provides the opportunity for us to network and support education in New York state, reminding us that **we all make a difference!**

Come and spend the day with your fellow NYSUT retirees — keeping active and involved with our Union for Life!
