

Search and Consultants

With 40 years of domain experience in recruiting and search, we've been enabling the confluence of leading talent with great workplaces since 1999.

Our Approach

REACH

We provide talent search and consulting services to companies throughout the United States and Canada from our White Bear Lake, Minnesota offices located in the Twin Cities metropolitan area of Minneapolis and Saint Paul.

ATTAIN

Experience matters. Pervenio is led by talent search and acquisition experts with more than 40 years of experience. Combining experience and access to cutting-edge resources, we are able to land top talent, shorten time to fill and boost hiring manager satisfaction.

ARRIVE

A keen ability for matching talent to the ideal opportunity and company culture is paramount to addressing intense competition. Pervenio works in partnership to ensure that you recruit and hire the right people with the right skills and motivation to advance your business goals.

What Makes Us The Perfect Search Firm?

- Faster Time-To-Hire
- Experience sourcing ``hard-to-find`` talent
- Readiness, responsiveness, precision
- Gain a full understanding of your company culture and business goals
- Convert daunting challenges into exciting opportunities
- ROI centric search model
