### October 21 is WORLD MISSION SUNDAY

The theme for World Mission Sunday 2018 is “Through Youth to the World: Voices for Mission.” Pope Francis addresses his message for this year’s celebration to young people, saying, “In speaking to you, I also address all Christians who live out in the Church the adventure of their life as children of God. What leads me to speak to everyone through this conversation with you is the certainty that the Christian faith remains ever young when it is open to the mission that Christ entrusts to us.”

We celebrate this day by remembering the revitalizing mission at the heart of our Christian faith – to bring the Gospel to all! The collection today for the Society for the Propagation of the Faith ensures the work and service of the Mission Church, as it supports priests, religious and lay leaders who offer the Lord’s mercy and concrete help to the most vulnerable communities in the Pope’s missions. Thank you for your generosity.

# Saint Thérèse of Lisieux

## Saint Thérèse of Lisieux - October 1

At the age of 14, on Christmas Eve in 1886, Thérèse had a conversion that transformed her life. From then on, her powerful energy and sensitive spirit were turned toward love, instead of keeping herself happy. At 15, she entered the Carmelite convent in Lisieux to give her whole life to God. She took the religious name Sister Thérèse of the Child Jesus and the Holy Face. Living a hidden, simple life of prayer, she was gifted with great intimacy with God. Through sickness and dark nights of doubt and fear, she remained faithful to God, rooted in His merciful love. After a long struggle with tuberculosis, she died on September 30, 1897, at the age of 24. Her last words were the story of her life: "My God, I love You!"

The world came to know Thérèse through her autobiography, "Story of a Soul". She described her life as a "little way of spiritual childhood." She lived each day with an unshakable confidence in God's love. "What matters in life," she wrote, "is not great deeds, but great love." Thérèse lived and taught a spirituality of attending to everyone and everything well and with love. She believed that just as a child becomes enamored with what is before her, we should also have a childlike focus and totally attentive love. Thérèse's spirituality is of doing the ordinary, with extraordinary love.

She loved flowers and saw herself as the "little flower of Jesus," who gave glory to God by just being her beautiful little self among all the other flowers in God's garden. Because of this beautiful analogy, the title "little flower" remained with St. Thérèse.

Her inspiration and powerful presence from heaven touched many people very quickly. She was canonized by Pope Pius XI on May 17, 1925. Had she lived, she would have been only 52 years old when she was declared a Saint.

"My mission - to make God loved - will begin after my death," she said. "I will spend my heaven doing good on earth. I will let fall a shower of roses." Roses have been described and experienced as Saint Thérèse's signature. Countless millions have been touched by her intercession and imitate her "little way." She has been acclaimed "the greatest saint of modern times." In 1997, Pope John Paul II declared St. Thérèse a Doctor of the Church - the only Doctor of his pontificate - in tribute to the powerful way her spirituality has influenced people all over the world.
