Dear Parents,

Well, the calendar says that it's April, but you wouldn't know it by stepping outside. Since April in Wisconsin is so unpredictable, we will be talking all about the weather. Sunny, cloudy, windy, rainy...we're going to cover it all. We will also be doing lots of fun things with Bunnies, Eggs, Chicks, and our Hands, & Feet.

What have we been doing?

- Working on holding our crayons / pencils correctly
- Talking about shapes and colors
- Matching objects together
- Snapping and putting things together
- Opposites
- Practicing sitting for longer periods of time
- Telling our own story of Brown Bear Brown Bear
- Taking turns picking out the book we read
- Trying different painting techniques Some of love getting dirty while others Do Not !

Please take a look in your cubbies to make sure we have extra clothes on hand that are weather appropriate, just in case... :)

Ms. Carrie :)
