

Exciting update: one of our clergy will match all donations up to \$2500.00 made to SWIM's 2020 Vision upgrade until February 26!

Dive in and be Anointed with 2020 Vision

We are planning for the S.W.I.M. 2020 Vision Upgrade. This requires significant changes to the website and blog pages to increase our National and International presence. These changes are essential to ensure to meeting our goals. The internet is a powerful tool that we can use for serving Jesus internationally. As an example, just last month I spoke with two women who live in different parts of Africa. They want to be part of S.W.I.M. How did they find us? They found us on the internet.

The need is \$2,500.00.

The S.W.I.M. International offers you a covering of prayer and participation in retreats, local groupings, Gatherings, Kingdom Knowledge Days as well as S.W.I.M. Nation Calls which is a new on-line outreach for Jesus.

We are asking for monetary donations to cover the expense of the website upgrades. All money raised for the website upgrade will be restricted for this project.

If you are interested in donating, you can do so by using the donor form below or go online to www.swiminternational.org and click on the donate button.

Feel free to give me a call at (661) 816-1278 with any questions or concerns. We thank you in advance for your generous support!

Serving Christ together,

Susan Abrams,
President
