

XANGO PiiX™ are fabulous, natural solutions to help combat the challenges of modern life. Based on the sound science behind herbal supplements, these PiiX tinctures represent the purest form of what makes herbs so potent and valuable. Because of the meticulous extraction process, PiiX deliver maximum “bioavailability” — or how the ingredients are absorbed by the body. The result is the fast-acting, safe and highly effective experience you’re looking for.

Slumber

Sleep is essential for optimal wellness: It’s the ideal opportunity for our cells to regenerate, and it aids in weight-management and overall feeling good.

PiiX Slumber is a proprietary blend of nutrients specifically designed to support your body’s ability to sleep soundly.* PiiX Extracts are extremely bioavailable, and generally are assimilated more quickly than supplements in capsule or tablet form.

- Assists the body’s natural ability to reduce stress, helping to create a sense of wellness and calmness*
- Helps promote natural, soothing relaxation and sleep*
- Promotes calm by alleviating restlessness and insomnia*

Directions: Simply add PiiX Slumber to one to three ounces of XANGO® Juice before bedtime, and you’ll be setting the stage for a sound night’s rest. (PiiX Slumber works best on an empty stomach, approx. 2 hours after a meal.)

SUPPLEMENT FACTS	
Serving Size: 0.7 ml	
Servings per container: About 30	
Amount per serving:	%DV
Proprietary Blend: *	
Chamomile Flower, Valerian Root, Skullcap Herb, Hops Flower, Lavender Flower, Passion Flower.	
* Daily Value not established.

* Daily Value not established.	

Other Ingredients: Gluten-Free Grain Alcohol (45–50%), Mountain Spring Water, Vegetable Glycerin.

Calm

Modern gadgets and über-connectivity may have granted us some much-needed conveniences, but along with them come a whole new set of stressors to our day. When our mind races and our pulse quickens, sometimes we need to step away.

PiiX Calm is a highly effective blend of herbs specifically designed to support the body's nervous system as it facilitates feelings of calm and serenity.* Traditional studies and centuries of use support our decisions to include lavender, ashwagandha, passion flower and lemon balm — and the results are astonishing.

- Supports the body's natural ability to relax, acting as a calming and soothing aid, allaying restlessness and worry*
- Assists the nervous system, supporting the management of nervousness and anxiety, creating a sense of wellness and calmness*
- Helps ease stress levels, promoting a natural feeling of rest and relaxation*

Directions: Take your PiiX Calm in one to three ounces of XANGO® Juice, preferably on an empty stomach, and provide yourself the right environment to properly achieve a state of Calm in a world that sometimes moves too fast.

SUPPLEMENT FACTS	
Serving Size: 0.7 ml	
Servings per container: About 30	
Amount per serving:	%DV
Proprietary Blend: *	
Passion Flower, Ashwagandha Root, Lavender Flower, Lemon Balm Leaf.	
* Daily Value not established.	

Other Ingredients: Gluten-Free Grain Alcohol (45–50%), Mountain Spring Water, Vegetable Glycerin.

Digestion

Digestive health and overall wellbeing are directly related — and yet our busy, modern “Western-culture” lifestyles are responsible for record numbers of digestive problems. PiiX Digestion has been formulated to address the topic of digestion and to supply the body with the nutritional support it needs to function at its best.

Ingredients such as ginger, cardamom and peppermint have been used historically for their ability to support a healthy digestive system.

- Promotes overall functionality and stimulation of the digestive system*
- Helps soothe the stomach, helping to ease constipation, nausea, and indigestion*
- Supports the digestive organs as a detoxifying agent, helping to clear harmful toxins from the body*

Directions: Simply add PiiX Digestion to one to three ounces of XANGO® Juice and take during mealtime. The benefits of PiiX Digestion can be noticed immediately, thanks to the calmative effect of fennel on the stomach and digestive system.
