The Countdown/Blast Off song

Somewhere in outer space
God has prepared a place
For those who trust Him and obey
Jesus will come again
And though we don't know when
The countdown's getting lower every day.

CHORUS:

10 and 9, 8 and 7, 6 and 5 and 4,
Call upon the Savior while you may,
3 and 2, coming through the clouds in bright array
The countdown's getting lower every day.

BLAST OFF!

Jesus was crucified, suffered and bled he died,
But on the cross He did not stay
He made this promise true, I will come back for you,
The countdown's getting lower every day.

CHORUS

Soon will the trumpet sound, and we'll rise off the ground
With Christ forever will we be
Children where will you be, throughout eternity?
The countdown's getting lower everyday!

STAR WORDS

Use the FORCE of Your Words For Good

I can use words to encourage others.

I can use words to be kind to others.

*I can use words to compliment others. I can
say thank you to others. I can say please. I
can ask others if they need help.*

*I can avoid using words to hurt others. I can
avoid using complaining words. I can avoid
using words that are rude. I can avoid using
words when it's time to be quiet.*

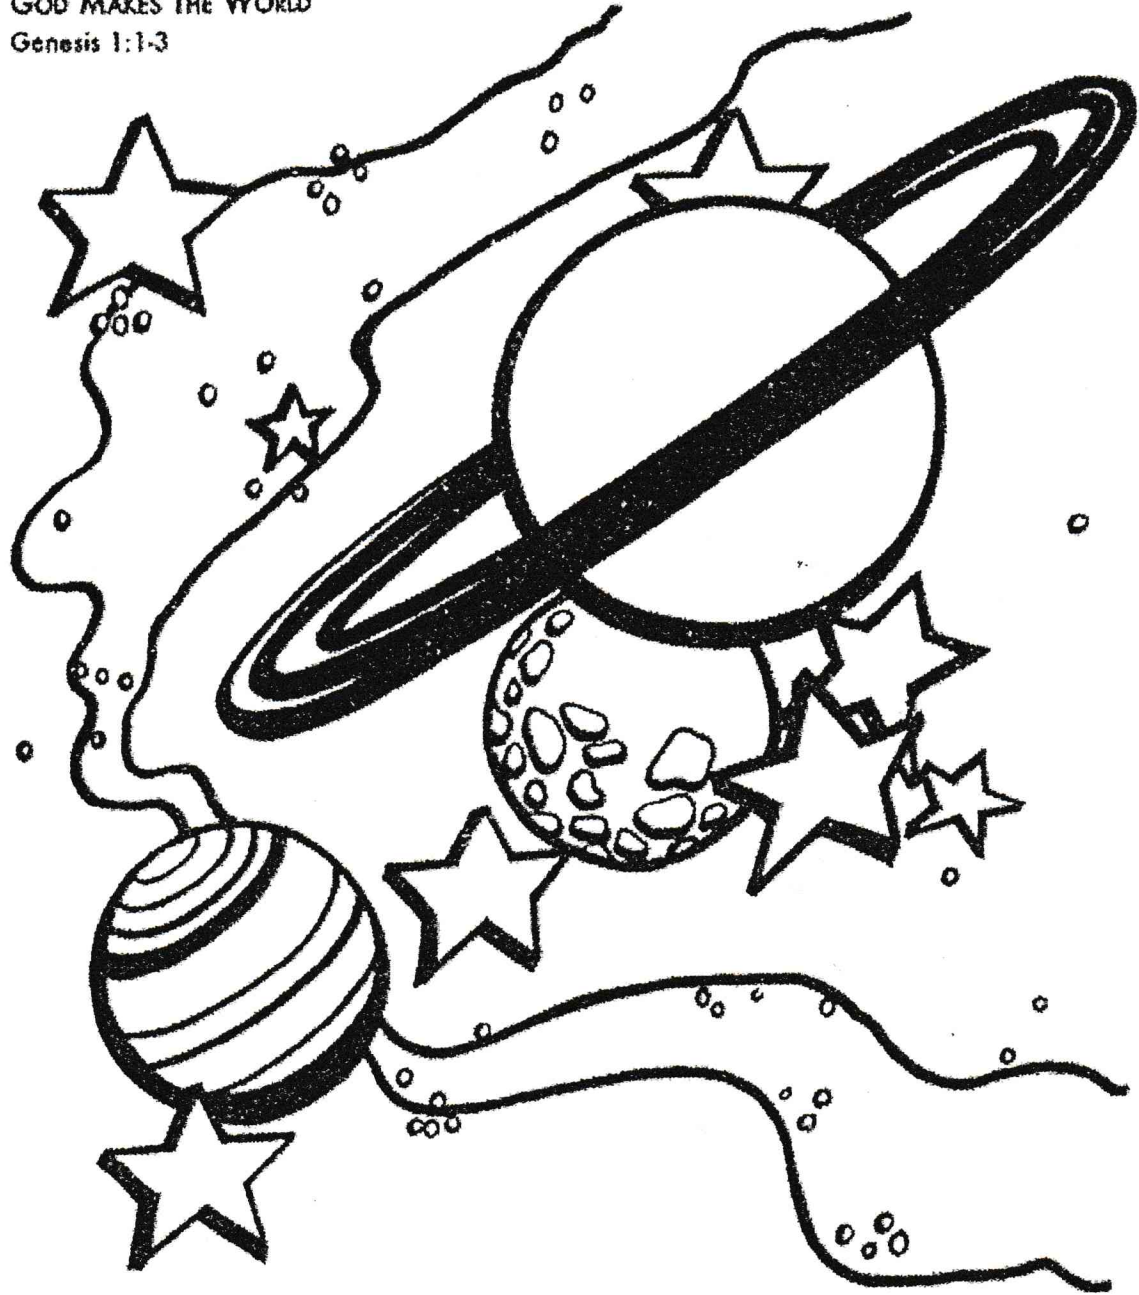

*I can use words to talk to God. I can use words
to praise God and tell Him how awesome he
is. I can use words to ask God for help. I can
use words to thank God. I can use words to
tell God I love Him.*

COLORING BOOK

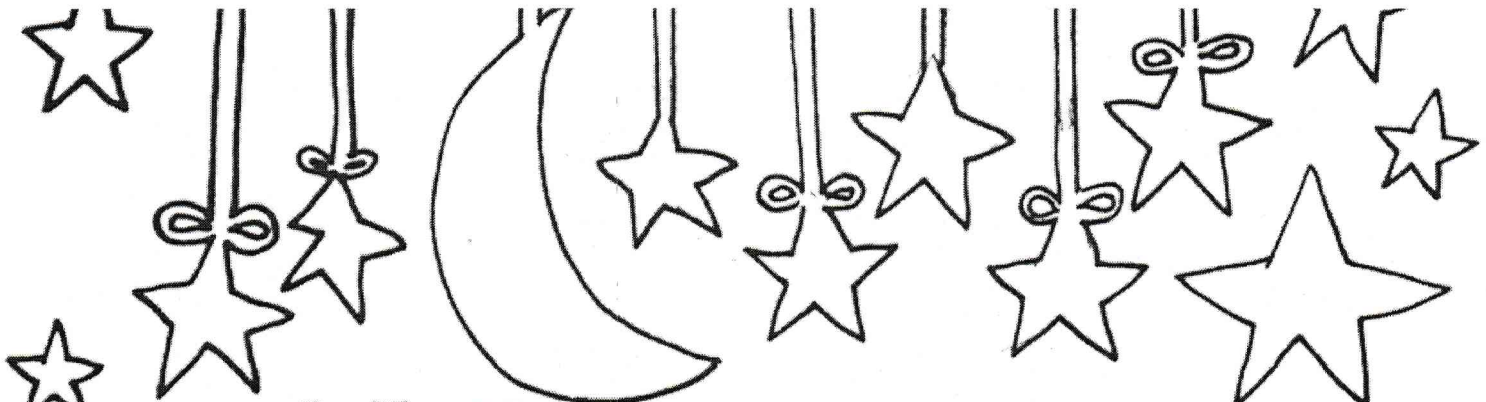

GOD MAKES THE WORLD
Genesis 1:1-3

In the beginning was God. And God made the universe. He filled it with galaxies of planets, moons, and shining stars of every color and size.

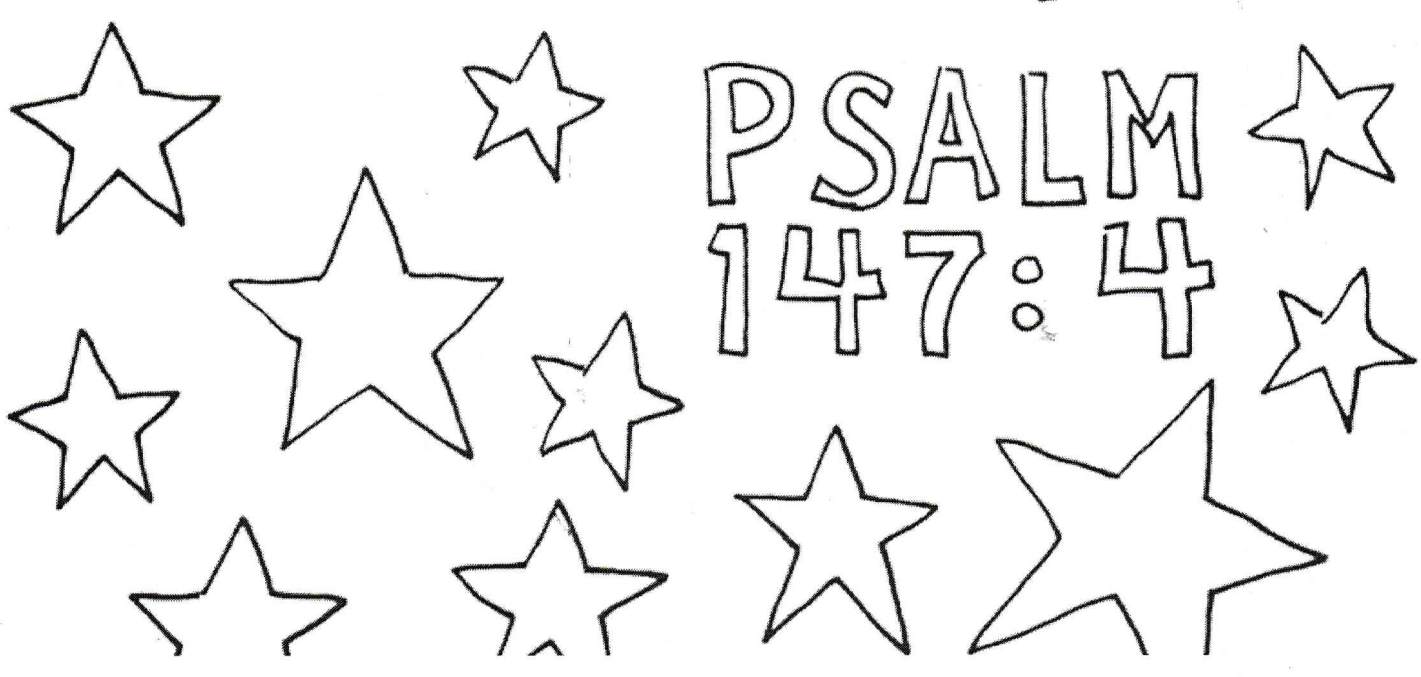

God made the earth. He carefully placed it just the right distance from the big hot sun and set a pretty moon nearby to light up the night.
