The month will be filled with celebrations and Valentine's Day will be right in the middle. Valentine's Day is a great time to read some of the little sayings on the cards to your children. The rhyming words may sound corny; but they are just one of the many ways your child learns literacy skills. Please check your calendar to see when it will be celebrated and how the teacher would like the cards done. Please remember that doing a couple of cards each day will keep this a fun activity. Along with exchanging valentine cards, some of the children will be working on their full names, addresses and phone numbers. **Often parents will ask to bring in a special snack for this celebration, we ask that you check with the teacher as someone might have already made arrangements to do so.**

February is a fun filled month with a lot of holidays to talk about. We will be watching to see if the ground hog will see his shadow. The patriotic month will bring out the red, white and blue paint as we celebrate President's Day.

All classes will be discussing dental health month. Great emphasis will be put on how and when we brush our teeth. We will talk about foods that are healthy snacks and those that are not so healthy. Maybe some of our friends will share their experiences going to the dentist.

Registration for September 2021 is going very well. We do have openings in the 4-day PM class and the pre-K enrichment class. Anyone interested in any of these classes should call the school office. Word of mouth is our main source of advertising, so thank you for all your continued help.
