

Spirit Led

Rachael Martin 2,11,2016

Romans 8 talks about not giving into our fleshly desires and that taking a firm stand against the things that our flesh wants to do that are wrong - leads to victory. I told my husband I didn't have anything particular to write about for today and he said "Read the lyrics to Mighty Warrior, something will come to you." Then a friend of mine called and she told me about her night out with the ladies from her job and they were complaining about how they were being treated by their boss and my friend said - "it doesn't matter to me" - they were baffled!! "Why doesn't it matter to you - it should!!"

So she shared that she is a Christian and it would be one thing if her boss were claiming she was a Christian as well - but she isn't and there is no standard to hold her to so she is there to do her job and do it as best as she can and understand where her boss is, is not a place with spiritual standards, a place of not operating in the flesh. Not excusing her lack of sensitivity and her ethical practice, but understanding it from a spirit-led point of view.

So the confirmation that I needed (because I know the words to the song - thank You Lord... You are ALWAYS faithful)

I pulled up this song I wrote back in 2007 and started reading the 1st verse and the chorus....

The Lord, He's calling you
To a place where you can serve
He is leading you in truth
His goodness you deserve
So won't you take Him by the hand
He'll lead you to the promise land
It is truly now or never
Won't you stand with Him forever?

And be Battle Ready - Spirit Led -

The song goes on but the jest of it is this place where we are all is a daily dying to our flesh and we all know it's a working mess every day! Some days are better than others - but I wanted to encourage you with what the Word of God says.

Please take a moment to read Romans Chapter 8 (click [here](https://www.biblegateway.com/passage/?search=Romans%20&version=NASB)<https://www.biblegateway.com/passage/?search=Romans%20&version=NASB>)

It is His Spirit who dwells in you Who gives you hope,
It is His Spirit Who dwells in you to bring victory over areas where you feel defeated,
It is His Spirit Who is alive and well inside of you - you are God's daughter or son,
It is His Spirit Who helps your weakness,
It is His Spirit Who leads you moment by moment

What then shall we say to these things?? If God is for us – who can be against us???????

Many blessings as you go today in the Spirit of the Lord – being led by His strength, His calling, His anointing, His grace, His love, His truth, His joy, His ways. Spirit Led, Amen!
