RATES: Introductory Offer -

All Text ads are \$8.00 per line - with 8 line minimum - All Display ads (photo, logo, box/border) \$50 per column inch and \$15 for color. Blind Box Ads are \$5.00 flat rate each in addition to the regular rate. (What is a "Blind Box Ad"? - It is one which the advertiser chooses to have the **WWR** Team take the potential Buyer(s) information and forward it to the Seller(s).) We all know how busy we can get and this will enable the Seller(s) to continue working and still get your information. Rates have no further discounts except during this initial 2025 year discount, as advertised above.
