Dear Parents,

Well this is it, our last month together. As I say every year “I can’t believe how fast the year went.”

It has been a great year and I’ve truly enjoyed your children. They have been a joy to teach. Thank you for entrusting them to me this year.

**Handwriting without tears:** We have finished up learning our letters. I will be doing an end of year assessment during the next few weeks.

**Snack:** I am assigning a day for you to bring in snack this month. Please look at calendar for your day. Please send in a fresh fruit plus one other snack for 9 kids.

**Field trip: Tuesday May 21th at Eco-Justice center in Racine.**

**Graduation:** Date; May 23th

Time:10 am

Place: MDO 4k room

Theme: Oh the places you’ll go

We will have a 30 minute or so graduation program followed by a cupcake reception. **More information to come.**

Peace,

Ms. Amy      amy.orthmann@mdoracine.com
