

FOR IMMEDIATE RELEASE

**Corky's is one of San Diego's Best Pest Control companies for six years in a row.**

*San Diego, CA, August 22, 2016* – Corky's Pest Control (Corkys) was voted one of the 2016 San Diego's Best Pest Control companies in the San Diego Union-Tribune's Readers Poll. This year marks the 20<sup>th</sup> year of this poll by the local newspaper and Corky's is honored to have made either the first or second best on the list for six consecutive years.

Corky's Pest Control has long been a leader in the pest control industry. Next year the company will be celebrating 50 years of business serving the pest control needs of Southern California residents and businesses. Corkys offers a wide variety of service plans custom prepared for each pest infestation and property requirements. Corkys' business innovation, progressive treatment solutions and superior service have all contributed to its success.

Owner Corky Mizer has always been passionate about quality, improvement and education. Through the years, Corky has improved pest control with his innovative dispensing methods, equipment inventions, authoring of books to train pest professionals across the nation and his pest newscasts educating the industry and public at large about pest concerns.

Corky Mizer's vision to provide safe, effective, professional pest control keeps him excited about the future. "Thank you San Diego for the votes. Look for more great things from Corkys next year," said Mizer.

###

About Corkys: Corkys is an innovative leader providing quality pest control services to residents and businesses throughout Southern California. The company services most pest infestations specializing in ants, spiders, termites, rodents, gophers, bed bugs, fleas, fruit flies and cockroaches. Corky's residential treatment includes the landscape which is the major source for insect and arachnid infestation. The commercial division handles business properties, restaurants, warehouses and educational buildings.
