### Easter Services:

**6:30am** Sunrise Service @

Gilbert Run Park

**8:30am** Café Service

**11:00am** Traditional Service

### Lifetouch Photographs

On March 2 & 3, 2026 Lifetouch Photography will be here to take photos of the 3's & 4's. Information will come home about this closer to those dates. The spring photo session includes individual sittings and a class photograph. Sibling photograph sessions are optional and will be done at the end of the school day.

# Blessed Lambs Preschool

March 2026

### Preschool Easter Activities:

- 2's will have Easter egg hunts outside during the school day on March 24 & 26, 2026.
- 3's will have their Easter egg hunt outside (weather permitting) on March 26, 2026 at 1:15pm
- **Parents are welcome**
- 4's will have their Easter egg trail inside on March 27, 2026

**Students Only**

### Morning Routine:

March often comes in like a lion and out like lamb! Be sure to dress your children appropriately for outdoor play. Warm jackets and coats, and hats are still appropriate.

- **March 27, 2026**  
4's Easter Egg Trail  
**(Inside during school day)**

### Severe Weather Drill Month

In addition to our regular monthly fire drill, this month we will conduct our second severe weather drill. No alarm sound, just an announcement over the intercom and teachers quickly and quietly escort the children to shelter in place. Our designated shelter area is beneath the preschool hallway in the Fellowship Hall 2 bathroom alcove.

## Registration Information

### 2026/2027 REGISTRATION UPDATE

Have you registered your child for next year? We have currently registered 74% of the available slots for the 2026/2027 school year. Remember if you are a current family you can register now and only pay the registration and materials fee of \$240. Then in May 2026 you can pay the remaining tuition deposit. Remember, even though you are currently enrolled, it does not mean you are automatically registered for the following year!

## James E. Richmond Science Center

The James E. Richmond Science Center is located on the campus of St. Charles High School in Waldorf. The Science Center is a cutting edge experiential center that hosts school groups, family and community events. The Science Center’s focal points include a 184 seat digital dome classroom/ planetarium, a 6-foot diameter NOAA Science on a Sphere and a Discovery Lab all which are used in combination to allow students and visitors to experience various levels of science, math, history, and fine arts, in new and exciting ways. The Center specializes in STEM problem based learning and can customize learning experiences for all ages.

### 4’s Science Center Field Trip

The 4’s classes will be meeting at the James E. Richmond Science Center located in St. Charles High School on March 6 (Jen & Sadie) & 13 (Kaila & Kasey), 2026. Information and permission slips have been sent home. Be ready to enjoy a movie in the Dome, Science on the Sphere and fun activities.

We kindly ask that you refrain from talking on your cell phone during drop off and pick up. This is usually an important time for your children to say good bye to you, and for your child’s teacher to relay important information to you. Thank you for your compliance with this!

### Healthy Eating for Preschoolers

- Offer a variety of healthy foods.
- Be mindful of sweet drinks and other foods.
- Focus on the meal and each other.
- Be patient with your child.

*Cook together.  
Eat together.  
Talk together.  
Make meal time family time.*
