

THE CHARIOT OF THE GOD

FOR THE COMING APOCALYPSE

symbol of the Chariot of the Anti-Christ to come
AKA 'Jupiter' or Apollo (Apollyon Rising)

It is no coincidence that President Obama was to speak at the 'Silver Gate', the Brandenburg Gate in Germany on the Eve of the Summer Solstice 2013. President Obama, which many believe has embodied many of the characteristics of the Biblical AntiChrist figure, gave his key note address to Europe in front of the Gate's *Quadriga*. It so happened that on that very day, celestially, the Sun rose precisely over the 'Silver Gate' in conjunction with Jupiter. This imagery clearly was chosen to mirror or reflect the impending apocalyptic unleashing of the 'horses at the gate' ready to be released upon the world stage by the AntiChrist -per the Book of Revelation.

Key note address to Europe by President Obama at the Brandenburg Gate

A **Quadriga** is a chariot drawn by 4 horses abreast. It is considered to be the chariot of 'the gods' as with the *Olympians* to some or *Fallen Angels* to others. A Quadriga is most notably attributed to Apollo –as depicted driving it across the heavens, giving daylight & taking away the night by this torch –as in being the *Light Bearer* or *Lucifer* dispensing light & wisdom to Humanity. The 4-Horseman are symbols & emblems of triumph, war, victory & conquest. According to the Bible, the AntiChrist will use such tactics in a given timetable to attempt to usurp the rightful authority of Jesus Christ that is to return to rule & reign Humanity.

As the world is fast approaching a threshold of evil, the powers that be controlling the world governments, economies, armies & money of the world continue to use mere mortals to rehearse and/or give a 'prelude' of their diabolical schemes. These 'preludes' are often in conjunction with celestial occurrences at certain key dates. They provide vivid but often occultic or hidden symbology as presented in the Bible. Such 'time & place' events on Earth attempt to mirror the Heavenly 'times & seasons' as dictated to come to pass by the Creator YHWH. Perhaps the Obama speech at the Brandenburg Gate was one such 'rehearsal' of what is to be unleashed; perhaps the Quadriga of the Apocalypse.
