*A Well Regulated Militia, being necessary to the Security of a Free State, the Right of the people to keep and bear Arms, shall not be Infringed. -2nd Amendment, U.S. Constitution*

War is a Business and for a Profit. President Eisenhower warned about that in his last Speech, about the 'Military Industrial Complex'. And he ought to have known about all that as he was Allied Commander during World War 2. But all that making of Arms pulled the USA out of the 1929 Stock Market Crash that impoverished most Americans. Realize that after World War 2, there was really no more need to keep the Level or War Manufacturing going.

But what the World Elites did then was to create a Perpetual War Effort by now making the USSR the 'Enemy', even though it was a former War- Time Partner. The Cold War started and so was the Nuclear Arms Race. Consider that when the USSR collapsed in 1992, after Boris Yeltsin left office, he literally handed the Keys to the Kremlin, without a Vote to a Young Vladimir Putin. And? During the Clinton Administration, it was Putin who actually sought to join NATO but was Rejected. Imagine that?

There would be no more need to have a massive Arms Race or Military Industry that funnels Billions of Taxpayer Dollars, while the World Elites kept the Profits. But as they say in Medical School, 'A Cured Patient is a lost Customer'. Consider that over Half of the U.S. Budget that is sustained by Taxes goes to fund the 'National Defense'. Also realize that before World War 2, the 'Department of Defense' was called the Department of War. And the Pentagon Building, the largest Office Building in the World broke ground on which Day? Guess? September 11, 1941. No Coincidence.

The USA is 1 of the Nations that sells the most Armaments to other Nations. Consider the Yearly National Budget of the USA. For every 1 U.S. Dollar, 50 Cents or half of that Taxpayer Dollar goes for 'Defense'. The USA has a Military Base in nearly every Country of the World. That is Amazing to consider. When was the last Time the USA was attacked, other than in Pearl Harbor? See Pie Chart of where the Money is going.

## Disarming the Public

What one also wants to bring to your Attention, based on this Subject of War and War Spending on Weapons such as Guns, consider the latest U.S. Supreme Court Decision. They struck-down the Law or Statute that would hinder the design of Weapons or their Modification of them. The Ruling is a Victory for Gun Rights that is protected by the U.S. Constitution 2nd Amendment. Realize that any form of Government Restrictions imposed like Registering Guns or having them to be Secured and Unloaded at one's premises, is an Infringe upon the People by the Federal Government.

The Left and the Globalists have failed to seek in having the Guns in the USA be taken away. That is the last 'Box' to be checked-off to totally subvert and take over a Nation. Here is one's Point. One would agree to Disarm the Public, if the Federal Government also did that. Have one noticed how it is always the Bureaucrats in the Federal Government that also advocated for Gun Control and Confiscation? No Problem, they want to take the Guns out of People's Hands and Homes? Let us start with the Federal Government.

That will never happen. Criminals will always have Guns. It is the Law-Abiding People that are left defenseless in protecting their Family, Homes, and Property. But it is all by Design. Consider all the No-Gun Zones in the USA that are in Leftist Cities and States and they have the Highest Gun Violence in the Nation. Worse, is that the Leftist support and Defend the Criminals with Guns.

In California, for example, Citizens are leery of shooting a Criminal that invades their Home or robs their Business because it will be they that will be locked-up. In Canada, Toronto specifically, it is the Car Theft Capital of the Nation. And what did the Police Chief advise the Citizens to do? He advised the Homeowners to leave their Vehicle Key Chair on their Front Door so as to have the Thieves not break in to get the Keys to steal one's Vehicle or Home Possessions. Unbelievable.

One thing is for sure, that during the Millennial Kingdom on Earth when Jesus Returns, the Words of Isaiah will come True. There will be no need for Standing Armies or Young Men and Women going off to War or the Civilians dying from Collateral Damage.

*'And many Peoples will come and say. Come, let us go up to the Mountain of the LORD, to the House of the God of Jacob. He will teach us His Ways so that we may Walk in His Paths. For the Law will go forth from Zion, and the word of the LORD from Jerusalem. Then He will judge between the Nations and arbitrate for many Peoples. They will beat their Swords into Plowshares and their Spears into Pruning Hooks. Nation will no longer take-up the Sword against Nation, nor train anymore for War'. -Isaiah 2:3-4*
