

“I was a Fortune 500 HR SVP for 10 million years, but I was an opera singer before I ever heard the term HR. The higher I got in the corporate world, the more operatic the action became. I started writing about the workplace for the Chicago Sun-Times in 1997. Now I write for LinkedIn and Forbes.com and lead the worldwide Human Workplace movement to reinvent work for people. My book Reinvention Roadmap: Break the Rules to Get the Job You Want and Career You Deserve is here: amzn.to/2gK7BR7”
