

RecoveryWerks!

*Changing the world through recovery one **underserved** community at a time*

Our Mission:

RecoveryWerks! provides proven recovery support services in a safe and nurturing environment for teens and families in rural communities affected by substance use. We educate, partner with local agencies, and advocate for strong community support systems to reduce the stigma of addiction and increase recovery success.

Our Beliefs:

Recovery works when there is a belief in a Higher Power.

Recovery works when physical, mental and spiritual issues are addressed as a whole.

Recovery works when clients are empowered to break the cycle of addiction and dependency through the 12 steps.

Recovery works in fellowship when clients feel safe and have access to education, counseling, sponsorship, and support groups.

All donations to RecoveryWerks! are tax deductible and have a huge impact in bringing recovery to teens and families in our community.

Visit our website for online giving or for more info.

Thank you!

September is National Recovery Month

A time to honor the **millions** of people who are on the journey of recovery and the professionals who help make it happen. Our Youth Services Staff bring years of education & training *plus over 53 years of lived recovery* to provide a safe place for teens and young adults looking for their own recovery! We couldn't be more grateful for their expertise, talent, and love for youth!

Sept 20th is Addiction Professionals Day!

Our gratitude & appreciation to those who do this life-changing work!
