

Hello!

A lot of great riding weather lately!

Last night was the first night of the State Field Meet in Wolverine. Great to see region 4 members meeting and having a good time with ABATE members from around the state, On Friday night we had a very nice raffle item with the help of Diane Proctor. We made over a \$1000. Profit and made one winner VERY happy. Thank you to everyone that went out hawking the tickets sales!

Jerry Kuznicki made another one of his awesome "Wheel Barrels of Booze" it's a beauty! Ticket sales were going well, and the winner will be drawn tonight. Thank you to everyone that contributed bottles of cheer.

Tonight, we also have another "special" raffle item, thanks Diane and Iceman.

We are looking forward to hearing Exit 282 play tonight. It was a bittersweet time at the Field Meet, so hard to believe Wally Shattuck and Patty Rahn could no longer be with us.

Thank you to everyone that came out to meet Dondi Vesprini, our ABATE attorney when he came up north to meet with us.

Please read all of the info in the Rider on the current insurance issue, this is a big deal folks! The insurance companies are going after all the motorcyclists. You are paying for benefits that you won't even be able to claim. Please contact your State Rep to have him or her SUPPORT HB 4809 !

There is another cool event coming up soon in Region 17 on June 25 & 26th in the Escanaba/Gladstone area. This is always a good, well attended event in beautiful country. Hope to see you there!

We still have State ABATE bike raffle to sign out and sell or buy some.
