**Guidelines for Building Use:**

1. Pew decorations must be removed after the wedding by the florist or members of the wedding party. Items such as candelabras which do not belong to First Presbyterian Church should be removed from the building before Sunday morning.
2. No flower arrangements may be placed on either the piano or organ. Florists must not use nails, thumbtacks, screws or any decorations that might damage the floors, walls, rugs, or furniture.
3. The wedding party is welcome to dress at the church. The Parlor or Choir Room is ideal for the bride and her attendants, and the men may use the library. These rooms should be left as they were found.
4. There is no smoking in the church building, and no alcoholic beverages may be served. The church or session will not be responsible for any personal effects lost, stolen, or damaged.
5. No rice will be thrown. If you wish to throw something, we suggest birdseed, and it should be distributed outside the church.

**Music:**

The choice of music for the wedding service and any music to precede or follow the service is governed by the same principles that apply to music for all worship service. *For Weddings at First Presbyterian Church, the organist must be approved by the First Presbyterian Church Organist.* A CD player is available if you wish to bring in your own music.

**Flowers and Decorations:**

Simplicity in flower arrangements and other floral displays is important in order that they not detract from the beauty of the service. Arrange with the florist for candles and candleholders. Make sure the church representative/consultant knows when to open the church for delivery and set up. If you wish to use First Presbyterian Church candleholders, arrangements must be made in advance with the Wedding Consultant. *(There is an additional fee for cleanup of petals)*
