### PRESIDENT'S MESSAGE:

## FLOWERS OF JUNE !!

Summer is Here.....

We had our first event this year in doing the Historical Cocoa Village Festival of Arts & Crafts. We had an excellent spot in front of the Chase Bank and both days were absolutely beautiful. Saturday, May 8<sup>th</sup> was a particularly good day for us and even though Sunday May 9<sup>th</sup> was not as productive, we sold all but 1 space quilt, some patriotic quilts, adult bibs, bears, chick pin cushions, and various other items. I want to **THANK** the girls that came out on Saturday to help make our day a success. They were Janet Romer, Gay Van Vorst, and Katie Martin. Gay's husband and my husband Paul got the tent set up for us. Sunday was a little slow; a lot of lookers, sold 1 quilt and many smaller items. Paul and I and my son-in-law Brian and daughter Ericka helped with the take down. All in all, a good weekend. We made almost \$1,000 for the weekend. We are looking at doing it again in October.

Got a lot of requests @ Cocoa Village for the Microwave Bowl Holders. Need someone to take this project on, maybe for one of the Wednesday Sit-N-Sew's, (HINT, HINT) then we will have some ready for October and/or "Cracker Christmas".

June 2<sup>nd</sup> is the class on utilizing border fabric, which begins at 9:00 am. If you have not already had Janet Romer help you initially with your blocks, she will assist you at the class.

Ladies, you were all sent a preliminary Survey with regard to where the Guild is heading, and we would like to have the results ready for the August 18<sup>th</sup> meeting &

discussion. Please have your responses either e-mailed or given back to me by **July 1, 2021**. Your comments & suggestions will also be addressed at the August meeting. **WE'RE ALL IN THIS TOGETHER.**

For all those fine men who are there for us, even though, sometimes they don't really want to be:

Have a Wonderful "FATHER'S DAY" as you are ALL worth it every day .....

*Janice (Jan) K. Brock - President*

## DONATION UPDATE

Summer is here! We have 234 pillowcases for Meals on Wheels finished. Please think about finishing the kits you took home and get those back to me. We will be starting on the Christmas stockings for Meals on Wheels this month. We have 40 lap size quilts for the school kids. We are always working on kid's lap sizes for sale and the Highway patrol. Joyce has been working on the I Spy quilts – Highway Patrol homicide division like giving those to the little ones to keep them occupied during the stressful situations. Eileen has been making bibs & walker bags. June B. has been keeping the chain going by helping with the binding and labels. Karen and Linda have been making lots & lots of bears for sale which we give to Cecilia and take to the events. We will have to buy Janet a fire extinguisher to cool down her machine for working so tirelessly making quilts for us for sale and donation. Thank you to all of those that pitch in and help with the trimming, ironing, etc. on Tuesdays & Wed. We could not do it without all the help we get from you.

Doris
