7. EMERGENCY PROCEDURES

Ingestion	Rinse mouth thoroughly, drink a few glasses of water or milk
Inhalation	Move to fresh air
Eye Contact	Immediately flush eyes with plenty of water for at least 15 minute. If irritation persists get medical attention.
Skin Contact	Remove Contaminated Clothing. For skin contact, wash immediately with soap and water. Get medical attention if irritation develops or persist.

8. SPILL OR LEAK PROCEDURES

Environmental Impact	This product is Biodegradable. Avoid discharge into drains, water courses or onto the ground.
Methods of containment	In the event of a spill or accidental discharge, notify relevant authorities in accordance with all applicable regulations
Methods for cleaning up	Large spills: Dike far ahead of liquid spill for later disposal. Use a non combustible material like vermiculite, sand or earth to soak up the product and place into a container for disposal. Small Spills: Wipe up with absorbent material (e.g. cloth or fleece). Clean contaminated surface thoroughly. After removal flush contaminated area thoroughly with water.

9. SPECIAL PROTECTION INFORMATION

Respiratory protection	None required under normal conditions of use
Ventilation	None required under normal conditions of use
Eye protection	Goggles or face Shield
Protective clothing	Chemical resistant gloves
