SPONSORSHIP OPPORTUNITIES

We're counting on you!

Thank you for supporting the **4TH ANNUAL HEARTS AND PADDLES PICKLEBALL TOURNAMENT AND HEALTH EXPO** hosted by the Pulse 3 Endowment for Cardiovascular Health at Central Michigan University.

NEW THIS YEAR!

We have added an adaptive athlete bracket and are looking for a sponsor for this court and athletes.

Your sponsorship makes an impact! Funds raised from last year's event have been used to support summer youth wellness programs and cardiac research scholarships. With your support, we will grow and expand these efforts! **HEARTS AND PADDLES** will bring together players of all skill levels to compete in the fastest growing sport in America.

New to the game? Instructional courts and demo equipment will be on site. This 2-day tournament will include women's, men's, and mixed doubles divisions.

In addition to the thrilling competition, we are again joined this year by the Saginaw County Medical Society who will be leading the Health Expo! Numerous educational and health related activities will be available. We invite everyone in the Great Lakes Bay community to come out and join us for this exciting event!
