The purpose of this study is to provide a Critique of why the Year 2023 is not a Jubilee Year, nor the Rapture. One would Hope and Pray it is. But one would not agree with those that have the Assessment that it could be or will be. Imagine that?! :) So, one is just sharing where one would Disagree or just have a different Perspective. All Good. one can be wrong. The Critique will be based on T.W. Tramm's Article about the Jerusalem Jubilee. First of all, one would like to Commend Tramm's Work and Research as always being very Insightful.

OMER COUNT and JUBILEE Correlations in the Psalms

Brother Tramm is re-considering the Topic of the Jubilee Count. Great. And that it was or could have been from the Liberation of Jerusalem back in June 7, 1967. Yes. He surmises, that if perhaps, a Jubilee or 49 Year Count is in play to make the 50th Year the Jubilee and perhaps that is when Christ or the Rapture is to occur? Fair. Logical. The issue is always, 'What Start Year'?

But, realize that many Watchers had Entertained this very Question back in 2012, thereabouts, as the 50th Year Anniversary was approaching in 2017. Here is the Discrepancy. Brother Tramm has decided to use the Subsequent 7 Years from that 1966 Year, which was 1973. And it is from that Year, that he then Counts the 7 Sabbatical Years for a Total of 49 Years. If one uses this Calculus, sure. But.

1973 + 49 Years = 2022 + Jubilee Year = **2023** (?).

1. 'Counting seven Sabbatical weeks from the start of the first week after 1967, which is 1973–1974, we arrive at 2022–23'. = Disagree

This Notion is basically the 'Judah Ben Samuel Prophecy' that became Popularized back when, if you all were 'Watching' then. So, 2023? One would Argue more so, that this Year is not the Advent of Jesus Christ, but rather a major Prophetic Milestone for the AntiChrist. It could be Geo-Political, Esoteric Movements and Decisions being made behind the Scenes. All of them to further his Agenda. And how it would be leading to his Ultimate Revealing, after the Rapture Event. A 'True' Jubilee Count would follow.

Fall **1966** + 49 Year Jubilee = Fall 2015 (End of Blood Moon Tetrad.) + 1 Jubilee Year = Fall **2016**. This is when the Jewish Civil Year 5776 turned to 5777.

Decree to Restore

If one uses Tramm's 1973 Logic and Count, you have to also then consider that 'Gap' of Time from when the Decree was made to Restore and Rebuild Jerusalem by Cyrus, and then Reiterated by Artaxerxes 1 and Artaxerxes 2. So, one would not agree that one would have to wait for a whole Subsequent 7-Year Sabbath of Years later on, to start the 49-50 Jubilee Year Count from the Liberation of Jerusalem by the Jews.

2. 'Since seven weeks denote a jubilee period, 2023 could be a Jubilee (Lev. 25)'. = Disagree

The following is the Jubilee Count by Dr. Floyd Nolen Jones. Now, again if one uses 1966 as the Start Year for the Jubilee Countdown, as one Subscribers, the Jubilee would have been 2015. But according to Nolan Jones, 2023 is not a Jubilee Year, but does Corroborate the Shemitah 7-Year Sabbath Cycles that are In-Sync. Nolan Jones takes the True Jubilee Count since Israel crossed the Jordan into the Promised Land.

If that be the case and True, then 2023 is the 1st Year of a New Sabbath 7-Year Count, nothing more. This was the Logic and Rationale as to why many thought that the Beginning of the Tribulation had to start in 2023, as some still do because of this Notion based on the Shemitah Counts. This is where one is Suggesting an Off-Set of 3.5 Years to begin the Tribulation Timeline from the Fall of 2025. This is because of one's Linkage to the 2nd Half of Jesus' Shemitah, that one also surmises is what Jesus started on. Perhaps. A Partial Jubilee Countdown by Nolan Jones follows.

1966/1967 Sab # 487

1. 1973/1974 Sab # 488
2. 1980/1981 Sab # 489
3. 1987/1988 Sab # 490 Jubilee # 70
4. 1994/1995 Sab # 491
5. 2001/2002 Sab # 492
6. 2008/2009 Sab # 493
7. 2015/2016 Sab # 494

2022/2023 Sab # 495

So, Tramm's 1973 + 49 Years = 2022? Could be. One can see why many are or would be 'Excited' about it, as 2023 is or would be the Jubilee Year from 1973. And then, all the Prophetic Implications concerning the Rapture, for example, would need to come True then by the End of 2023, Gregorian Count. But. It is assumed that 7 Year or 1 Shemitah 'Delay' is not being counted since the 1966-67 Liberation of Jerusalem, that one and perhaps many other Watchers would Emphatically insist, should be where the Count starts or needs to start at.

1966 + 49 Years (1 Jubilee) = 2015 + 1 Year as the Jubilee Year
= 2016 or 5776 as in 1776.

Jubilee Rapture?

In fact it was on September 23, 2015 that the Feast of Yom Kippur occurred. And thereafter, 3 Days later, the Pope came to Philadelphia. Think Liberty Bell, Independence, etc. It was a Hijacking and Mocking of the Liberty that Believers have in Jesus because of the True Jubilee proclaimed back in the Fall of 28 AD, one Calculates. 3. 'While this may also be a coincidence, it is noteworthy, given the fact that the third month of a Jubilee year is considered a plausible if not likely time for the Rapture'. = Disagree

In the Traditional Sense? Yes. Presently, both the Jewish and Traditional Christian Church Celebrates 'Pentecost' in the 3rd Month. But only because it is the only 'Pentecost' being Considered, Written about and Taught. It was and is the 1st of the 3 Harvest 'Pentecosts' of the Summer, as one has Posted here before and Discussed.

-3rd Month = Wheat First Fruits	= 1st 50 Day Count 'Pentecost'
-4th Month = Grape First Fruits	= 2nd 50 Day Count 'Pentecost'
-5th Month = Olive/Fig First Fruits	= 3rd 50 Day Count 'Pentecost'

All that is to say, that the Rapture, if it is Correlated to a Pentecost Feast, which one does Concur about that, is not going to occur on those 1st Pentecost 49 Day Counts, of any given Year, in one's Humble Opinion. And then from what Start Day does one Count the 99 Days? Either from the 15th of Nisan or the Subsequent Weekly Sabbath that the First Fruits of the Summer Harvest are Waved?

If anything Prophetic about 1967's Liberation of Jerusalem, one tied the last 3 Blood Moon Tetrads of 1949-1967-2015 as a Trifecta of a Prophetic Alignment that would lead to the Countdown to Daniel's 70th Week. When? Perhaps 2025-2032 as written about. The Tetrads were in Phi Ratio to each other in distance and one proposed even a '1947' Numerical Correlation as they had a 19 and 47 Year distance between them.

Beginning of Tetrads 1949 to 1967 End of Tetrads = 19 Years
Beginning of Tetrads 1967 to 2015 End of Tetrads = 47 Years

One also correlated the Comet 67p that appeared also during the Revelation 12 Sign, as to suggest a 50 Jubilee Year Bookmark since the 1st Blood Moon of the Tetrads that occurred in that Year of Jerusalem's Liberation in 1967. One called it the 'Jubilee Comet'. All that to say, that the Real Jubilee Sign from the Liberation of Jerusalem in 1967 was and is the Revelation 12 Sign.

Again, this study is to acknowledge of Diligence of Fellow Researchers that only seek to Discern the Prophetic Times, like T.W. Tramm, in considering his Research and Perspectives. In the End, it is about the Passion to Seek and Watch for the Return of the King and Captain of Salvation as the Bride of Christ, on Earth Warn those outside and Encourages those inside the Body of Christ, along the Way. The following is a further consideration of T.W. Tramm's response to one's Critique.

1. GOD COUNTS FULL WEEKS?

Not necessarily. YHVH counts 1260 or 3.5 Increments of Time that does make-up a Full Week. That is without Dispute. But one Surmises that, precisely, there is perhaps just that going on presently, an Off-Set of 3.5 Years that is overlapping the Full Week. That is to say that the 7-Year Tribulation Period, being a Full Week of 7 Years, will start or could start when one reaches a 3.5 Year offset. And that is why one is considering 2025-2032. Perhaps.

2. THE COUNT CANNOT BEGIN TILL THE START OF THE NEXT WEEK 1973?

If that be the case, as most anticipated with the Shemitah Count, if it does not start now, in 2023, either back in September or now past in April, then the next 7-Year Span of Time, to infer the Tribulation Period, CANNOT start until 2029. This would put the Fig Tree Generation and the Psalm 90 Factors of both a 70 and 80 Year Matrix, well out of Prophetic Reach.

3. THIS IS EXACTLY HOW THE OMER COUNT OF REGULAR WEEKS TO PENTECOST WORKS?

Who said that the Liberation of Jerusalem in 1967 has to do with the same Prophetic Template as Counting of the Omer? No Disrespect here, as one can Presume that and use it. I do the same with one's 'Off the Wall' Theories. But just saying that it does not have to be relegated to this Theory.

4. I WOULD ADD THAT THE 2023 TIMELINE IS SUPPORTED BY THE HANDFUL OF OTHER CALCULATIONS, WHICH I HAVE POSTED ABOUT PREVIOUSLY?

OK, there are arill Months to go, in the Gregorian Calendar Timing. Sure, a lot can happen in that Time, as World Events are now occurring Hourly, it seems. But. The Debut of the AntiChrist? Building of the 3rd Temple? Getting all the World on the same Digital Currency? All in a few Months' Time? Not likely, in one's Opinion.

For example, one get a lot of Emails from those arguing a 2023-2030 Tribulation Timeline. No Problem. One says back to them. Amen! In that case, as one has always done, since 2012, and no one has yet to Oblige...One will say the same here, in All Sincerity. It does seem a bit Presumptuous, but I am just getting tired of all such Emails.

'Please Sign-Over all your Bank Accounts, Homes, Cash, Vehicles, Property, Saving and/or other Assets to my Name, as you will no longer need them past Fall of 2023'.

5. IN MY OPINION, 2015-16 WAS NOT A JUBILEE BUT A YEAR OF SIGNS, A SEVEN-YEAR WARNING POINTING TO THE PRESENT TIME?

I did not say 2015 was a Jubilee Year. A 7-Year Countdown? Yes. Perhaps more like it. In fact, many are looking for the Return of Jesus to be a Jubilee Year. Not so.

Recall how Jesus only read the 1st Portion of Isaiah. The 2nd Portion of the Vengeance and Wrath of GOD will be what Jesus will come with to Execute upon a Wicked and Perverse World. So, really one can say that since that Fall of 28 AD up to 2032, when one calculates Jesus is to Return, it has been 1 LONG JUBILEE and will be completed as Judgment or the Law meets-up with the Mercy Component of its Totality. Just Prophetically Speculating here.

6. I THINK WE NEED TO BE CAREFUL ASSUMING TOO MUCH ABOUT THE REV 12 SIGN AND WHAT IT INDICATES, ESPECIALLY RELATED TO THE JUBILEE?

Assuming too much about the Revelation 12 Sign? Or what it Indicates? Well, again, one did not nor does not relate that to a Jubilee. But as a Sign and what it Indicates, this I will Reiterate, since coming across it circa 2008-2009. I wrote that it is perhaps the 'Greatest' Sign to the Church that the Church Age is about to End. And that the Rapture it portends, is what is next on the Prophetic Timeline of what will happen next. It is no small indication on one's part. But one could be wrong. This has been just a Critique and a Commentary, as Iron Sharpens Iron.
