## Father's Day Friday

**The Strauss Chiropractic Center** is inviting all Dads to come and receive a special gift on what we call Father's Day Friday (June 18th).

If you're a Dad and you and your family are already under chiropractic care, consider this our way of thanking you for being involved in this important family decision. If you are a Dad whose wife and/or family are currently under care but you are not –why not take this opportunity to learn more about what your loved ones have been talking about.

Remember everyone is better off with an optimally functioning nerve system.

Thank you to all our Dads, Grandfathers, Godfathers, and Step-dads, for all you do and all the love you give. You make the world a better place.

Happy Father's Day!
