

Wrapped in Love Notes - December 2019

Hello Everyone! Our packaging volunteers posed for a photo today!

This month we sent out 100 items, making our total for the year 990 handmade items! After sewing on labels, attaching cards and packaging up our lovely assortment of shawls and lap blankets, we celebrated with our Holiday Luncheon. Thanks to everyone for your continued support of Wrapped in Love, including our many volunteers who are unable to make our meetings; we appreciate your part in our success!

We received a beautiful photo of a young member of a donor family embracing her shawl. She has graciously agreed to share the photo with all of us!

The donor was her aunt, who enjoyed wrapping scarves around her niece in the same fashion as shown in the photo.

Upon receiving the shawl, her niece draped it around her head and neck just as her aunt had done so many times! We hope the shawl will continue to provide comfort and warm thoughts of her loving aunt.

These tender heartfelt moments do not happen without our devoted volunteers and all of those who support our program – thank you for another successful year!

The following was received from a donor family:

“To all who give their time and love into this selfless organization, please pass on my deepest thanks. When receiving this beautiful lap blanket, I felt the love put into it. I miss my son like I lost him yesterday! I pray the recipients of his kidneys are living full and happy lives.”

On that note, I would like to wish all of you Happy Holidays, and all of life’s blessings. Our organization reminds us how precious life is and all we have to be grateful for.

In Gratitude,
