TITLE:

Concrete Preparation & Repair – Foundation for Strong Performance

ABSTRACT:

The talk will cover basic concepts and processes for preparing and repair concrete before a protective coating or lining can be installed over top

BIOGRAPHY:

Stephen Streich is the Linings Manager for the West U.S. region for International Paint. He has been with International Paint since 2008 and in the paint and coatings industry for 40 years, working as a public school district painter in high school and college and then full time upon graduation from Northern Arizona University.

Stephen has worked both on the supplier side and the contractor side, working for concrete repair and protection firms specializing in commercial and industrial concrete restoration.

Stephen has also completed NACE courses in Basic Corrosion, Coatings and Linings and CIP courses 1 & 2
