

To protect everyone involved in the *EVT* program -- exam takers, proctors, staff -- and to help prevent the spread of COVID-19, we have cancelled the *EVT* Nationwide exams for June 4-11, 2020.

We understand that keeping certifications current is important. Consequently, we are extending those certifications that are expiring in 2020 to expire on 12/31/2020. Additionally, for those certifications that expired in 2018, we will allow re-certification exams to be taken until the end of this year. Usually you have two years past the expiration date to take a re-certification exam.

The next Nationwide testing is scheduled for October 14-20, 2020. We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies. For more information about COVID-19, visit the Centers for Disease Control at [cdc.gov](https://www.cdc.gov).

We have suspended online registration temporarily. In the meantime, registration will be accepted by fax or mail. Go to www.evtcc.org for updated information.

We appreciate your patience and understanding. On behalf of all of us at *EVT* Certification Commission, we wish the best for you and your loved ones during this most difficult time.
