## “GIRLS CAN DO ANYTHING!”

#SelfLove & Leadership  
Conference

September 19, 2018

Dear Community Partner,

We invite you to join a high impact effort as sponsor of one of the Delaware Valley's most highly anticipated event since 2012! One Village Alliance’s “Girls Can Do Anything!” initiative was created to redefine womanhood and what it means to be a girl! The event exceeds capacity annually, drawing hundreds of girls from throughout the region to the city of Wilmington, DE.

This conference kicks off our year-round healthy girls initiative with a focus on self love and leadership for girls (ages 9-18) and their parents. Participants will connect with dynamic role models and mentors from their own community and experiences. Special guests include business moguls, surgeons, judges, law enforcement officers, mechanics, engineers, music producers, community leaders and other phenomenal females whose lives prove that, with the right support, “Girls Can Do Anything!”

This highly collaborative effort connects families to opportunities that foster healthy, asset rich girls who are well prepared to achieve their highest level of success throughout their academic, career and personal lives.

Your in-kind and/or funding support brings phenomenal females together for a powerful event that provides more than 200 girls each with: life changing resources, knowledge and connections to sisters, mentors and role models; an official GCDA T-shirt, Dream Journal and book bag; breakfast and lunch; lots of gifts and prizes; and an opportunity to engage in OVA's year round, evidence-based "Girls Can Do Anything!" Girls Circle. [Click here for a glimpse of the excitement!](#)

Our girls need us! This is not just an event but an ongoing commitment to address the needs of girls and honor successful young leaders making a positive impact in their communities. Please review the attached. I look forward to discussing how you can be a part of this most worthy initiative to empower girls.
