

News Release

Pop-Link Mounting System, by ADandD, is once again thrilled to announce an addition to The PL Series and The HDPL Series: The PL-HDPL-MAG1

This magnetic base is compatible with the PL-BASE and HDPL-BASE. Mounting hardware is included in purchase of PL-HDPL-MAG1. The PL-HDPL-MAG1 has a manufactures rating of 220lbs/pull with V-Grooved bottom. The magnetic base is supplied with an off/on toggle knob for actuation of the magnet.

The PL-HDPL-Mag1 has a list price of \$120.00. We hope this product has great potential in testing and lab purposes as well as many more applications. Please contact us with any questions... we look forward to hearing from you!
