

On-Demand Services, LLC

Capability Statement

On-Demand Services, LLC; "ODS", (dba On-Demand Moving Services) specializes in providing personalized relocation and move management solutions to private, commercial, corporate and government agencies. Our services include local move, long distance move, storage services, logistics planning and support. On-Demand Services, LLC is a fully licensed and insured Delaware based company. We are a Small Business conveniently located 25 miles outside of Philadelphia, Pennsylvania.

Building to Building Relocation Services

If you are moving a one person or a one hundred person office, On-Demand Moving Services can provide planning services, moving crews, trucks, and all necessary equipment to safely and efficiently complete your move to a new location. On-Demand Moving Services is capable of performing local moves (within the Philadelphia, Baltimore and Washington, DC metropolitan area) and long distance moves (anywhere within the United States).

Internal Move Services

Whether you require a single office to be moved or an entire floor reconfigured, On-Demand Moving Services can work with your company to efficiently complete the project on time and within budget. We can assist with planning and phasing of internal moves—a critical component with larger internal office reconfigurations.

Packing and Unpacking Services

On-Demand Moving Services can provide packing and unpacking services for libraries, file rooms, supply rooms, and warehouse inventory. On-Demand Moving Services will develop a labeling system to ensure that all items are properly placed at the new location. We will provide specialized equipment, including library carts and inventory carts to ensure safe transport of materials. Stretch-wrap is commonly used on the carts during the move to guarantee materials are not lost or damaged.
