

Bell Canyon Association Concrete Truck Entry Approval

This form **must** be completed by the project Civil Engineer or Land Surveyor prior to any project being placed on the Bell Canyon Association list of approved concrete trucks allowed to enter into the Canyon. Concrete truck entry approval is only valid as shown on this form.

Certification Form

Owner: _____ Lot No. #: _____

Bell Canyon Address: _____

I certify to the satisfactory completion of rough grading for the following items:

- | | | |
|-------------------------------------|--|---------------------------------------|
| <input type="checkbox"/> Foundation | <input type="checkbox"/> Walls | <input type="checkbox"/> Landscaping |
| <input type="checkbox"/> Pool | <input type="checkbox"/> Drainage Structures | <input type="checkbox"/> Other: _____ |

By affixing my stamp and signing my name hereon I certify that the grading was done in accordance with the approved plans and specifications and to the approximate final elevations. As required for each of the above, the property lines were located and staked; cut and fill slopes correctly graded and located in accordance with the approved design; swales and terraces graded ready for paving; berms installed; and required drainage slopes provided on the building pads. I further certify that where report or reports of an engineering geologist and/or geotechnical/soils engineer have been prepared relative to this site, the recommendations contained in such reports have been incorporated in this design.
