The Voter March 2019

Editor: Jogee Detchemendy

Program Planning Workshop:

Approximately 20 League members braved the elements to attend a program planning workshop for the 2019/20 year. The purpose was to provide direction for our program of work for the upcoming year, and that direction will be subject to a vote by the members attending our annual meeting in June. This meeting was a great example of how the League is a member-driven organization. Thank you to all that attended and the Program Committee members Devita Harden, Carol Silverstrom, and Pat Landes.

Significant progress on our current program of work was noted, particularly for the mayoral forums, voter registration, robust advocacy on local issues, and increased visibility with new website and newsletter.

For the upcoming year there will be League meeting opportunities every month, and the following topics were identified and prioritized (priority indicated by number in parentheses) for those meetings:

- 2020 Census process (1)
- Changes in LR Board composition, and type and organization of government (1)
- Pulaski County Election Commission – what is it, how do they function (2)
- The election process – who works, the schedule, what are the barriers to voter participation, who trains – staff or commission (2)
- How to build better cities, good urban planning (3)
- Landlord/tenant rights, warrant of habitability *Could be state issue* (3)
- HR1@Congress, LWVUS supports (4)
- Human trafficking (5)
- Better consumer of news (5)
- Metro Plan (6)
- Immigration/naturalization process (6)
- Inequality of taxation (7)

Announcements:

- Our next meeting will be held Monday March 18th at 6pm (doors open at 5:30) at Fletcher Library, 823 N Buchanan, Little Rock. League members and the public are invited to “Citizen’s Right to Know.” Professor of Law Robert Steinbuch will present information on the Freedom of Information Act, an important tool for citizens to be informed and engaged in their government. Professor Steinbuch was recently appointed to the newly created Arkansas Freedom of Information Task Force and is one of the authors of [The Arkansas Freedom of Information Act](#), a standard reference book for the bench, the bar, and journalists for guidance in interpreting and applying the state’s open-government law. The LWV believes that democratic government depends upon informed and active participation in government and requires that governmental bodies protect the citizen’s right to know by giving adequate notice of proposed actions, holding open meetings, and making public records accessible.
- As said in the last Voter, [Arkansas Legislative Session](#) is still going! To watch online, click the link and then click on the cameras under “Today’s Meetings.” It is always a good time to stay in touch with your public officials, but especially during Session. Let them know you are watching them, and give support for good bills. Be sure to explain why you oppose a bill, using facts, not opinions. You can always go to lwv.org for information from the national League on many bills that are introduced at the state level. Please contact your legislators regarding the bills listed under **Bills to Watch**.

- Saturday April 27th from 9 am to 4 pm at First Presbyterian Church, 2400 Prince St., Conway, AR 72304 [The League of Women Voters of Arkansas](#) will hold State Convention to pass our budget, elect Leadership Team members and establish our program for 2019-2020. This is a great opportunity to meet leaguers from the other two leagues in the state, and hear from our national board liaison, Catherine Cotton. The breakout sessions have been planned by our member Pat Landes, so we know they will be great! The cost is \$10 per person, to pay for lunch and other materials. We will carpool for even more fun! Register on the [LWVAR Facebook page](#). Look under Upcoming Events, and click see all to get to the PayPal link. If you want to send a check, mail to Carol Young, LWVAR Treasurer, 712 Ash, Little Rock, AR 72205.
- We will be electing new Leadership Team Members at the LWV of Arkansas State Convention in April and at the LWVPC annual meeting this summer. It is not a large time commitment, and you will learn so much about how the LWV operates. If you have any questions or interest in this please contact our current leadership team! **(Leadership team is listed on the final page of this month's Voter.)**

- Carol would like to put in a second order for name tags. To receive a set price of \$10 per tag, she will need to order 15 or 20 people. So far only four people have responded. Please contact Carol if interested in purchasing a name tag. The fewer people ordering, the higher the price goes. Pictured left is an example of the name tags.

- Many of our members come straight from work to our meetings at 5:30. We like to provide refreshments to tide folks over during the meetings. We usually serve finger foods. LWV has plates, napkins and cups but we need help with these snacks/drinks. We usually have about 20 people at a meeting. Please see following dates and contact the League's email to volunteer.
 Monday, March 18: Alfreda Brown- need one more
 Monday, April 15: Devita Harden and Michelle Rhoden (full)
 Monday, May 20: Ruth Bell- need one more
 Monday June 17: Maybe a potluck for the Annual Meeting, or will need two people. Voice your opinions on this!

Police Chief Forums:

Thanks to League member Alfreda Brown for attending the forums for the four candidates of Little Rock Police Chief. From left to right pictured above are Mayor Frank Scott with Assistant Police Chief Alice Fulks, Assistant Police Chief Hayward Finks, and Commander Todd Chamberlain with Mayor Frank Scott, and lastly Chief Keith Humphrey who is the Police Chief of Normand Oklahoma with Mayor Frank Scott.

Bills to Watch:

- [HB1059](#) is a “Stand Your Ground” bill. While in theory this bill would help people defend themselves, opposers state this “shoot first” law would contribute to increased violent crime rates (specifically in domestic disputes). Please read this [study](#) by the Violence Policy Center that supports opposition to this bill. This bill is currently engrossed in the House.
- Two proposed bills we worried might limit free speech were [SB156](#) & [SB118](#). SB156 passed and is now Act 184. SB118 was referred back to committee.
- [SB115](#) is an act to add exclusions to the state minimum wage act which passed in November 2018. This bill would roll back minimum wage increases for anyone employed by a business with less than 50 employees, anyone employed at a school, college or nonprofit organization and anyone under the age of 18. Was engrossed but is now referred back to committee.
- We support [SB145](#) to expand renewable energy in Arkansas. Benefitting both small consumers and large corporations by allowing them to lease net-metered solar, wind, hydroelectric and geothermal electricity-generating equipment, versus purchasing it. The bill will increase the maximum allowable size of a solar energy system to one megawatt, from the current low limit of 300 kilowatts. It has passed the Senate and is now in the House.
- We support [HB1004](#) to improve voter registration and elections. This is a part of the legislature's responsibility to set the standards for voter photo ID, the newly passed constitutional amendment. LWV Washington County and LWV Arkansas are hoping to get laws passed that will allow online voter registration, among other voter modernization laws. This is in committee.

*When a bill is “correctly engrossed” it simply means the bill is being updated/amended as it makes its way through the house or senate. Therefore, if it is still being engrossed, it has not yet been fully passed and our representatives will still be open to hearing from us about such bills.
