

(I Got a) New Lease on Life

I got some news today.
I have been waiting for a while.
Yes, I got some news today.
And, baby, it sure made me smile.

I got a new lease on life.
Halleighluah, I'm reborn.
It's a new millennium.
A fresh morn.

It's like a new love; it's like the first time.
She's so beautiful and bright.
Bursting with love, and hope, and grace, and laughter.
This is the time of my life.

I got a new lease on life.
Halleighluah, I'm reborn.
It's a new millennium.
A fresh morn.

The sun is coming up; a new season.
It's fresh as early spring.
The flowers are just beginning to blume.
And the young birds are just starting to sing.

I got a new lease on life.
Halleighluah, I'm reborn.
It's a new millennium.
A fresh morn.

Life is short; I'm starting over.
This world is full of heart.
Time to laugh at the dying of the old ways.
Time to make a new start.

I got a new lease on life.
Halleighluah, I'm reborn.
It's a new millennium.
A fresh morn.
