REMINDERS:

- Drop your students off at the parish center doors. Please try not to come inside.
- **First Home & School meeting tonight @ 7pm.** A great deal of information for the year will be shared. Plus you can get a PIP hour for attending.

THANK YOU!

We have had many students (and a few teachers) absent with a bug making its way around the school. Thank you for keeping your child home when they are running a fever or are not feeling good. I know that being absent from school is not ideal but staying home is better than coming to school not feeling well. Together we can help minimize the spread of any illness.

VISITORS IN THE BUILDING

We are trying to limit visitors in the building as a COVID measure. For this reason, we have asked parents/families to not accompany students into the parish center in the morning or afternoon to pick up kids. This past week we had parents come in to the building to eat lunch with their student. I know in the past this has been allowed but at this time, we are asking parents to not do this. **At this time we are asking parents/families to only enter the building to pick up children during the school day for appointments, sickness, travel or emergencies.** If you need your child during the day, please come in through the front doors and check your child out at the office. We will then have your child come from their classroom to you. Thank you!
