Tuition & Hours Clarification

Monthly Tuition is due on the Friday before your scheduled due date of the month.

Example: If your due date is the 1st and it falls on Wednesday, your tuition will be due the Friday before.

Bi-Monthly Tuition is due on the Friday before your scheduled due date.

Example: If your due date is the 1st and it falls on Wednesday, your tuition will be due the Friday before.

Tuition is calculated by dividing the monthly rate by 2 and an added \$5.00 fee per bi-monthly payment.

Full day rate is for less than 8 hours and 59 mins.

Example: 7:00am drop off must be picked up on or before 3:59pm.

- a. If you go over full day hours, then you will be charged an hourly rate for each additional hour (i.e., if you are there 1 hour and 45 mins, then you will be charged 2 additional hours).

Hourly Rate: Infants-Twos \$20.00 hourly; Preschool & Prekindergarten is \$15.00 hourly.

- b. If you go over full day hours more than 4 times per month, your tuition will be changed to the extended day rate.

Extended day rate is from 9 hours to 11 hours.

Example: 7:00am drop off and 4:00pm or later pickup.

Late Fee if tuition is paid after the due date, a \$35.00 fee will be applied. If tuition is paid 5 days or more after the due date, an added \$25 fee will be applied, and your child cannot attend until tuition/fees have been paid in full.

*Any discounts will be removed if tuition is paid after the due date (i.e., multi-month, cash, etc.)

After Hours Fee is \$5.00 per minute after 5:30pm.
