

"Binding Friendship" Challenge 2018

Capital Quilters, Bismarck, ND

Guild challenges are always a hit at quilt shows. "Binding Friendship" Challenge is a special category for our 2018 Quiltfest. Entries in this category are just for fun and to challenge your creativity. Entries will NOT be judged. No entry fee will be charged for this category. **Please review all Quilt Show Rules as they apply to the challenge as well.**

-
- The guild challenge is open to all members of Capital Quilters, and all members are encouraged to participate. Have fun and tap into your creativity to show us your interpretation of the 2018 Quiltfest theme: **Binding Friendship**.
-
- You will receive two 2 1/2" strips which you are encouraged to use as or in the **binding**. If you'd rather not use the strips as binding, a significant portion of the challenge fabric must be used visibly on the front of the project.
-
- The piece must be finished with a **binding**. Unusual, creative, and artistic binding styles are encouraged!
-
- The quilt or piece may be any shape. Size: the edge lengths when added up must be between 40" and 80". A round quilt cannot have diameter >24".
-
- The entry must be a standard 3 layers: a top, a batting, a backing. And must be quilted. The piece may be hand or machine quilted, not tied.
-
- Clothing, bags and household items are acceptable but they must fall within the size constraints when hung. Embellishments must be firmly attached.
