President's Message

Dear FFA Members,

We are looking forward to another great, productive, and fun year with the Atwater High School FFA. The Atwater High School Agriculture Program has a long history of promoting students' success and character development through agricultural education, events, and activities. As we continue to exceed expectations, we can look forward to a school year full of teamwork, passion, success and, involvement. We have had the pleasure of adding many new agriculture courses, members, teams, teachers and ideas to our program this past year and will continue to enhance our program to best serve the students of Atwater High.

This year's officer team has and will continue to face the many challenges and obstacles thrown their way throughout the year, but with every challenge comes opportunity. I speak for the officer team when I say we look forward to guiding each member in every way possible, so they can have the greatest experience in FFA and in our Chapter. Our organization is comprised of 1100+ involved members, which hold the power to make a difference in our school and community while upholding the rich traditions within the FFA organization.

The Atwater High School Agriculture program is a growing, productive and nationally recognized agriculture program. This recognition is in direct correlation to student involvement, staff commitment, and our community's support.

I look forward to working each and every day with my officer team and fellow FFA members to preserve and enhance our contributions to our school and our community.

Sincerely,

Emmanuel Mejía

Emmanuel Mejia 2018-2019 Chapter President

Officer's Message

Left to Right:

Emmanuel Mejia (President), Kaya Briscoe (Treasurer), Cristal Venegas (Vice President), Elisabeth Garner (Secretary), Alyssa Carrillo (Reporter), Luz Soto (Historian), and Jasmine Sandoval (Alfredo Elizarraraz).

Dear Members,

Our 2018-2019 Atwater FFA theme is, "It Starts Now"! The FFA provides us with many opportunities that expand our academic success, personal growth, leadership, skill development, career exploration and there is no better time to start than now.

The 2018-2019 Atwater FFA chapter officer team strives to serve all students within the Atwater High School agriculture program. We want each of you to start now, by taking every opportunity offered. You are all encouraged to learn, grow, and develop in agriculture education and the FFA through chapter meetings, judging teams, community service activities, fundraisers, team competitions, recreational activities, and much more! Every event we hold is bound to be enjoyable, enlightening and dynamic to all involved!

Our established goal is to ensure that all stakeholders are aware of the agriculture industry and its importance in our everyday life. There is so much to explore in the agriculture industry including; agriculture mechanics, animal anatomy, horticulture, agriculture business, biotechnology, agronomy, floriculture, vet science, and computer technology. As a chapter, we want to strive to meet our goals of getting more students involved in our activities and FFA knowledge, becoming active members of our community, and create a fun open environment. We encourage students to be a part of the many opportunities the agriculture industry and the FFA have to offer.

Emmanuel Mejía, Cristal Venegas, Elisabeth Garner, Kaya Briscoe, Alyssa Carrillo, Alfredo Elizarraraz, and Luz Soto

2018-2019 Chapter Officers

Advisor's Message

Sam Meredith, Shelby West, Kaylyn Davenport, Taylor Helton, Dave Gossman, Jose Vargas, Natalie Borba, Kim Macintosh, and Dan Flatt

Dear Chapter Members,

The Advisors of the Atwater FFA would like to welcome each and every new and old member alike to the Atwater FFA and Agriculture program for the 2018-2019 school year.

The mission of the Atwater FFA and Atwater High School Agriculture Department is to lead, assist, and motivate the members of the FFA in providing high quality agricultural education that is equitable and efficient, that prepares students for higher education, employment, and citizenship, and promotes students' intellectual, ethical and cultural growth.

We are committed to make a positive difference in the lives of young people through the variety of resources and opportunities agriculture education and the FFA have to offer. We believe we have something of academic, personal, or career value for all of our students and we encourage all of you to take advantage of the opportunities that have made the Atwater High School agriculture program one of the most productive programs in the state and nation!

We look forward to working with all of you and experience all the successes and adventures that the 2018-2019 school year has ahead!

Sincerely,

Dan Flatt, Kaylyn Davenport, Dave Gossman, Kím Macíntosh, Natalie Borba, Taylor Helton, Shelby West, Jose Vargas and Sam Meredith

The Atwater FFA Advisors

FFA and Agricultural Education

When you put on an FFA jacket, you become part of a total agriculture education program that will connect you to exciting careers in the science, business and technology of agriculture. FFA is only one of three essential components of this system, all of which work together to provide you with the personal, academic and career experiences essential for your success. Get to know the "three circles" that make this possible.

Classroom/Laboratory Instruction- Agriculture is rooted in science, math, business and technology. The time you spend in the classroom and school lad with you teacher will help you explore and master the information necessary to move forward with you career development. Get ready for exciting hands-on opportunities that make textbooks come alive!

Supervised Agricultural Experience (SAE)- Nothing takes your skills to highest level faster than putting them into practice. Through an SAE, you can create your own landscaping business, conduct a scientific research project that could change the world, grow crops or raise livestock, secure a meaningful job that provides insider experience related to your career choice, or learn how to make a difference in your community though civic engagement. Best of all, you can earn while you learn.

FFA- As an FFA member, you'll work on developing your potential for premier leadership, personal growth and career success. By participating in competitions, degree programs, state and national conventions, community service projects, summer camps and chapter committees, you'll grow in ways that take advantage of your talents and help you become the leader you were meant to be. The key to success in FFA is to get involved!

Make sure you're getting a complete Agricultural Education experience, and remember that it all works together. Talk with you agricultural teacher today and make plans to perform in all three arenas. Don't just settle for a high school diploma when you can get set for life.

FFA Mission and Strategies

FFA makes a positive difference in the lives of students by developing their potential for **premier leadership**, **personal growth and career success through agriculture education**.

To accomplish this mission, FFA:

- Develops competent and assertive agriculture leadership
- Increases awareness of the global and technological importance of agriculture and its contribution to our well-being.
- > Strengthens the confidence of agriculture students in themselves and their work.
- Promotes the intelligent choice and establishment of an agricultural career
- Encourages achievement in supervised agricultural experience programs
- Encourages wise management of economic, environmental and human resources of the community
- Develops interpersonal skills in teamwork, communications, human relations and social interaction.
- Builds character and promotes citizenship, volunteerism and patriotism.
- Promotes cooperation and cooperative attitudes among all people.
- Promotes healthy lifestyles.
- Encourages excellence in scholarship.

FFA Emblem

Many organizations have logos they use as part of their identity. As with most logos, the FFA emblem is symbolic. It contains five separate elements. Each element represents items or ideals that are important to the organization and its members.

The cross-section of an ear of corn serves as the emblem's foundation, just as corn has historically served as a foundation crop in American agriculture. Corn is also a symbol of unity because it is native to America and it is grown in every state.

The rising sun appears in the center of the emblem and symbolizes progress in agriculture and the confidence FFA members have in the future.

The plow is a symbol of labor and tillage of the soil.

The owl represents knowledge and wisdom.

The eagle is perched on top of the emblem and served as a reminder of our freedom and ability to explore new horizons for the future of agriculture.

Finally, the words, "Agriculture Education" surrounding the letters "FFA" indicate that the FFA is an important part of the agricultural education program.

The FFA Creed is a basic statement of beliefs and a common bond between members. The creed was written by E.M. Tiffany and adopted at the 3rd National FFA Convention. It was revised at the 38th and 63rd conventions to reflect changes in FFA members and the agricultural industry.

The FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

FFA Colors and Motto

Colors

The National FFA Organization chose national blue and corn gold as its official colors in 1929. As the blue field of our nation's flag and the golden fields of ripened corn unify our country, the FFA colors give unity to the organization.

Motto

Many important things come in small containers. Although a diamond ring takes up a little space, it is extremely valuable. So it is with the FFA motto. The motto has just 12 words, but those words are powerful.

Learning to Do,
Doing to Learn,
Earning to Live,
Living to Serve

FFA Official Dress

One of the most unifying elements for any group is its uniform. In FFA, the uniform members wear to local, state and national functions is called official dress. It provides identity and gives the organization a distinctive and recognizable image.

Proper Use of the FFA Jacket

- The jacket is to be worn only by members.
- The jacket should be kept clean and neat at all times.
- The back of the jacket includes only: a large official FFA emblem, the name of the state association and the name of the local chapter, district or area. The front of the jacket includes only: a small official FFA emblem, the name of the individual, one office or honor and the year of that office or honor.
- The jacket should be worn on official occasions with the zipper fastened to the top. The collar should be turned down and the cuffs buttoned.
- The jacket should be worn by members and officers on all official FFA occasions, as well as other occasions
 where the chapter or state association is represented. It may be worn to school and other appropriate
 places.
- The jacket should only be worn to places that are appropriate for members to visit.
- School letters and insignia should not be attached to or worn on the jacket.
- When the jacket becomes too faded and worn to wear in public, it should be discarded or the emblems and lettering should be removed.
- The emblems and lettering should be removed if the jacket is given or sold to a non-member.
- A member should act professionally when wearing the official FFA jacket.
- Members should refrain from use of tobacco and alcohol when underage and at all times when
 representing the FFA. In addition, members should exhibit their leadership qualities when they encounter
 substances including tobacco and alcohol and serve to discourage others from inappropriate behavior.
- All chapter degree, officer pins, and other award medals should be worn beneath the name on the right
 side of the jacket, with the exception that a single State FFA charm and American FFA key should be worn
 above the name or attached to a standard key chain. No more than three medals should be worn on the
 jacket; these should represent the highest degree earned, the highest office held and the highest award
 earned by the member.

Official FFA Dress

- Official dress for female members is a black skirt, white blouse with blouse with official FFA scarf, black shoes, and official jacket zipped to the top. Black slacks may be worn for traveling and outdoor activities.
- The official dress for male members is black slacks, white shirt, official FFA tie, black shoes, black socks and the official jacket zipped to the top.

FFA Code of Ethics

People are always observing you. Your actions when you wear the FFA jacket or represent the organization become part of the organization's image. To keep the image of the FFA and members sharp, delegates at the 1952 National FFA Convention adopted a Code of Ethics for FFA members to follow. The FFA Code of Ethics still protects the FFA image. It also guides members to make positive, healthy choices – and not only during FFA activities. The code of ethics guidelines are good to follow during all occasions and functions.

The FFA Code of Ethics

FFA Members conduct themselves at all times to be a credit to their organization, chapter, school, community and family. I pledge to:

- > Develop my potential for premier leadership, personal growth and career success
- Make a positive difference in the lives of others.
- Dress neatly and appropriately for the occasion.
- Respect the rights of others and their property.
- Be courteous, honest and fair with others.
- Communicate in an appropriate, purposeful and positive manner.
- Demonstrate good sportsmanship be being modest and winning and generous in defeat.
- Make myself aware of FFA programs and activities and be an active participant.
- Conduct and value a supervised agricultural experience program.
- Strive to establish and enhance my skills through agricultural education in order to enter a successful career.
- Appreciate and promote diversity in our organization.

What if you could get classroom credit and FFA awards for doing what you like: experimenting with careers, earning money, building a resume and having fun? You can – with a Supervised Agricultural Experience (SAE) program. An SAE is a program you design to gain hands-on experience and develop skills in agricultural career areas that interest you.

You choose an SAE program that lets you discover, explore, experience and excel in careers. In the meantime, you gain skills and experience that pay off in areas of life. Your SAE program can lead you toward personal growth, premier leadership, and career success.

An SAE program is not just another class assignment or graduation requirement. You are truly in charge of your SAE! Although your agriculture teacher will help you learn related information and keep good records, the success or failure of your SAE is up to you. It's an exciting opportunity to prove your abilities to future employers – and to yourself.

Atwater FFA SAE Program

- The Chapter will encourage all members to maintain a Supervised Agriculture Experience (SAE) program.
- The Chapter will encourage members to compete at shows with their SAE.
 - ➤ All Chapter members are expected to work as a team at all fairs and shows
 - > The Chapter will conduct an Exhibitors / Parent evening to inform parents and members of a member's responsibilities.
 - The Chapter will require parents of all first time exhibitors to attend a meeting conducted by the Chapter Advisors. This meeting will serve as an informal session to allow parents / exhibitors to become aware of the expectations and responsibilities placed on the Chapter exhibitor.
 - All projects exhibited at fairs and shows by members of the Chapter must be entered in the FFA division and only with Advisor approval and supervision.
 - Members exhibiting at fairs must maintain academic requirements set forth by Atwater High School and the Atwater Agriculture Program and FFA. In order to participate in any activity beyond the chapter level, an individual must maintain at least a 2.0 GPA, cannot have more than one F, and cannot have received less than a C grade in any Agriculture class the last eligibility period to the event.

- Additional eligibility rule Students will be given one chance for scholastic ineligibility for showing at fairs. If a student becomes ineligible to show at a fair that they had planned to show, the student will receive a warning. Primary Atwater High School Agriculture Program (R-2) Pathways

Notes

- #1 The chart above pertains to "established" pathways within state CTE sectors.
- #2 The Atwater High School Agriculture program also has "partial" <u>Ag Business</u> pathway, however that pathway does not have full-time enrollment or permanent "4 year pathway" courses to establish/implement fully.
