

Dear Parents and Guardians,

Please find a screening attestation attached. This attestation must be completed and sent in prior to the first day of school as per the HLVS policy. The parent or guardian is responsible for completing the screening for each student. You must answer all the questions and take temperature daily to confirm a body temperature lower than 100.4 degrees Fahrenheit. If any answers are “yes” to any of the questions, you may not send your child to school and you must them home. Please remember to contact the nurse with any absences. An email is preferred: nurse@littlevillage.org.

You will be receiving a “Daily Home Screening” form and a plastic sleeve to attach on your child’s backpack. Parents, please complete the screening form each day and place it in the plastic sleeve. It will be collected by the teacher when the child arrives at school.

All information can be returned in the following manner:

You may scan and email completed forms to Lainie.Hochman@littlevillage.org.

You may fax completed forms to (516) 796-6341 ATTN: Lainie Hochman

You may mail completed forms to:

The Hagedorn Little Village School
750 Hicksville Road
Seaford, NY 11783
ATTN: Lainie Hochman

If you are dropping off completed forms to the school:

- Make sure forms are labeled, with the recipient’s name.
- Please make sure you are wearing a facial mask.
- Please only come to the front doors and use the buzzer system.
- Do not enter the building, someone will come and get the paperwork from you.

Thank you for your cooperation.

Kind regards,

Patti and Jon
