## WINTER 2025-2026

### WE'RE GOING STRONG!

Good News Clubs are going strong this new year! It's been amazing to see all that is happening so far, like how we have over 100 NEW volunteers and more than 100 salvations so far. Four clubs started this past Fall, and we are preparing for more clubs to start this Spring in locations like Pageland. We recently launched our vision for the next two years called "48 by '28". Our goal is to have a club in each of the 48 elementary schools in our chapter before 2028. Will you help us reach it? So far, we have clubs in 34 schools, so we only have 14 more to go!

### IT'S COMING SOON!

Even though it seems the summer is far away, it will be here before we know it! CYIA continues to gain momentum as we have CYIA Assemblies like the one in November where 13 teens attended. We also had Christmas Clubs in December, and 8 CYIA students helped us reach 293 kids in 11 locations, and one child was saved! In February, we will have a group heading to The Trailhead, a CYIA weekend retreat for interested and returning teens. Contact us if you want us to come share this great opportunity with your youth group!
