

Pacific Coast Horse Shows Circuit 2017 High Point Awards

NOTES:

- * A horse/rider must be pointed in two or more Circuit shows during one fiscal year in order to receive a Circuit award.
- * Circuit points are tabulated as follows:

RATED	A	B	C	n- USEF
1st	20	15	10	5
2nd	12	9	6	3
3rd	8	6	4	2
4th	4	3	2	1

- * The old AHSA (now USEF) system of classes was used.
- * Circuit points were tabulated from Championship classes only with the exception of Equitation, in which the age groups 13 & Under and 14 to 17 are pointed.
- * If there was no championship, then a qualifying class was pointed.
- * If the stake was Juvenile/Amateur, entries ridden by Junior exhibitors were pointed in the Juvenile division and the Amateurs were pointed in the Amateur division.
- * If there were two or more championships in a show, the highest award received in only one of the classes was used for points. For example: Charity Fair had both a Three-Gaited Juvenile Championship AND a Three-Gaited Juvenile/Amateur Championship. Only the highest placing a horse received in one of those classes was pointed.
- * In Park Open -- There was no Open Park Stake at Carousel so no points were awarded for that show.
- * In Five Gaited Amateur -- If the stake was Amateur/Juvenile, entries ridden by Junior Exhibitors were pointed.
- * In Three Gaited Amateur -- If the stake was Amateur/Juvenile, entries ridden by Junior Exhibitors were pointed.
- * In Saddle Seat Equitation -- Jingle Bell did not have any entries in the Saddle Seat Equitation 14-17
- * In Saddle Seat Equitation -- Spring and Fall Southwest Classics did not have any Saddle Seat Equitation classes
- * In Saddle Seat Equitation -- Del Mar and Santa Barbara both offered 11 & Under, NWSA offered 12 & Under. All were pointed here.
