YOUR GENEROSITY WILL MAKE THIS IMPACT POSSIBLE.

It will ensure that the Club can continue to provide:

A SAFE PLACE...

for those who might otherwise be left alone after school or on the streets with no guidance. The club is a safe place to play and a place safe enough to be yourself.

LIFE ENHANCING LEARNING PROGRAMS...

that can open young minds. The Boys & Girls Clubs exposes youth to new ideas and skills that prepare them for life. We teach the importance of character in all programs. The club provides them with computers and other tools that enable them to be successful.

A RELATIONSHIP WITH CARING, TRAINED ADULTS...

the better the program; the more children we can attract; the more likely they will build a relationship with a caring adult; the more opportunity our Boys & Girls Clubs can positively influence the character of a child.

About our Event

Please join us for the
14th Annual Elite Golf Outing
to help Kids as we tee off
at the Arcola Country Club

Every year the Boys & Girls Clubs of Lodi, Hackensack & Teaneck hosts a Golf Outing to support its academic programs. Funds raised from this year's golf outing will support STEAM programming at the clubs. STEAM is a program that provides students, who otherwise would not be exposed, with 21ST Century skills in the key areas of Science, Technology, Engineering, Art, and Math. It is clear that many jobs in the future will require a strong understanding of these subjects across the country. It is said that STEAM occupations are projected to grow by 17.0% from 2008 - 2018, compared to 9.8% growth for non-STEAM occupations.

In addition to our push towards STEAM education, we also provide the children with other programs in core areas of personal self growth. Our Mentoring program provides high-risk children with a Mentor trained to act as a person of guidance and comfort as some of our children lack this care and compassion outside of our club. We also offer our most successful teen program, The Keystone Club. The group is structured to teach teens how to work together and help others amongst their community focusing on key areas of success; Community Service, Academic Success, Leadership Development & Career preparation.

Aside from our self-growth driven programs, we also provide outlet programs for our youth such as the National Fine Arts Program, the Triple Play Program, and Youth Swimming. These programs encourage our youth to focus their energy into an area of interest, helping to stimulate creativity and athleticism.

Making a tax deductible donation will also assist us with helping the children of our community.
Please send your donation to the following:

Boys & Girls Clubs of Lodi, Hackensack & Teaneck
460 Passaic Avenue, Lodi, NJ, 07644

or donate online at:
