SINGLE-TAG KEKAB® SERIES KEY CABINETS

KEKAB30

- Heavy gauge steel construction with piano hinged doors and key panels provide a sturdy location to secure keys
- Key tags are made of white plastic and are numbered for easy identification
- Each tag has a nickel plated snap which can hold multiple keys or rings
- Key racks are slotted to store key tags uniformly for immediate identification
- "Out Key" control tags are used to record when a key is removed from a cabinet, by whom, and when it will be returned
- Lock location record supplied with cabinet allows the user to specify what each key opens
- Supplied with a key retaining 5-wafer cam lock, or a 7-pin tubular lock with popout T-Handle on 260X, 500 & 730 models
- The finish of the unit is neutral sand in a durable powder coat textured application
- Supplied with necessary hardware for wall mounting
