President's Message

Sorry to say this is the second year in a row our first newsletter of the year we have had to announce the passing of a very dear club member - Alec Johnstone who was a past newsletter co-editor, Master of Arms and Membership chairman. He was not only a long time club member but a close personal friend. Alec got me to join the North Jersey Thunderbird Assoc. and later I got him to join our NJORTC club. He was the person who connected me with the person whom I bought my 57 T bird from. He and I shared many fun time and adventures together, through Conventions and many car shows. I will miss him a lot.

It looks like we are getting through this winter pretty good and hope it stays mild without too much snow. It won't be long now, Ground hog day is Feb 2. Let's hope he don't see his shadow.

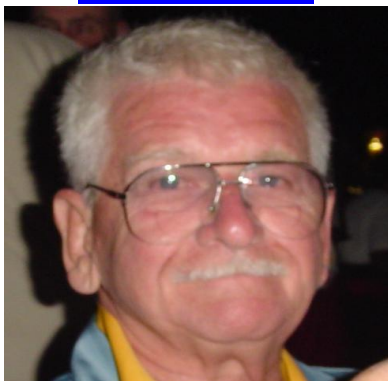

Joanne and I went to Kansas City Mo., for the CTCI Board meeting from Jan. 10 to the 13th., She will tell you all about it at the meeting., We may have also held our club's annual Board meeting and Treasurers Audit by time of the club meeting.

Please stay Healthy and safe. Pray for our members going through their health problems and pray for the Johnstone family as they mourn their loss.

Thanks for being the great club you are.

In Memorium

We are sorry to hear of the passing of Alec. Although he tried to maintain a gruff exterior, Alec always had a heart of gold and was ready to help anyone who asked. He will be sorely missed. Rest in peace Alec.

December Meeting

There was no December business meeting

Vice President's Message (Cont'd)

We will be having our annual Board meeting on Saturday, January 26th at 1:00. Joanne and Pat will be hosting the meeting. If anyone has anything to report or any activities you would like to do, please let a Board member know.

Our next meeting will be hosted by Sheryl and Paul Adamoff, more info about this meeting elsewhere in news letter

Happy Valentine's Day, see you soon.
Arlene

Vice President's Message

Happy and healthy New Year to all of you. Hope and pray it's a good year.

Unfortunately we are not starting the year off good. Alec Johnstone passed away last week. The only good thing is that he is now at peace, he suffered way to long. Our prayers go out to his daughter, Karen and her twin daughters. Alec always bragged about his granddaughters and how he loved them. In turn, they loved their "Poppy". May Alec Rest In Peace, he will be missed.

Joanne has some more issues going on and now will have to do radiation on her shoulder, she is still on chemo. If it's not one thing it's another. Please say extra prayers for her. She is strong and will continue to fight.

Some good news is that Wendy Meehan had a good December and so far January has been good. Please continue to keep her in your prayers, they are helping. From what Mike told me, he is learning how to cook, not loving it, but you have to do what you have to do. I bet my money on the fact that he is becoming a good chef.

I heard that Walter Strohmaier is not feeling well, do not know what is wrong, sent him an email but have not heard from him yet. Walter hope you feel better soon.

Dot Hyde is doing good after an operation on her foot. It has been a long recovery, but each day it gets better.

We have quit a few snowbirds in our club. Rich and Lois Martin, Steve Handy and Joan, Don Dobres. Joan and Bob Notar will be going to Florida for three weeks. If I missed anyone, I am sorry. Hope you all have a safe, great and hot summer. See you in the Spring.

Our next event will be our Sweet Heart Brunch, February 17th, 10:30 at McLoone's Boathouse, 9 Cherry Lane, West Orange. This is a new venue. We were supposed to go to the Manor in West Orange, but they just called Lucille Chabella and said they are no longer serving brunches. (Cont'd left)

Christmas Party

Christmas Party

As I write this, it seems that the Christmas party was a long time ago, but in recapping I'm sure it was better this year as we had the bigger room which was nicely decorated, giving us the space to move around. We had 60 members and guests. A nice cocktail hour started off the party. The dinner and the desserts were very good, although some had a problem handling one dish which turned out to be very hot.. Tables had a very pretty center piece made by Joanne. Every one seemed to have a good time, especially Bill D.

Each person was given a little box of candy from the club. The grab bag was great with many fantastic gifts. Santa and Mrs. Claus gave out wine bags and great 2019 calendars which were beautifully made by Suzanne Gayet. The calendars included birth dates and anniversaries of members and pictures of members' Thunderbirds. Thanks to Suzanne. We thank Santa (Ray) and Mrs. Claus (Linda) for their visit and handing out the gifts. I hope everyone enjoyed them.

There were a number of raffles. Merry Case won a Christmas lantern while Ron Case won the 50/50. John Pyrros won a money tree that was made by Joanne

As you know, Pat retired from his DJ job - the only problem was is that Pat did not know what to do with himself with all the free time. The DJ we had was great. She played games and gave out gifts, all the while providing great music which every one enjoyed. And there were dancers who enjoyed "cutting the rug".

As in the past, we had a Toys for Tots collection. Linda was able to have a U.S. Marine attend to pick them up. He was invited to stay, which he did. We hope he had a good time.

The most important thing to remember is, it is us as a great club that makes our Christmas party fun.

Tom has been notified that his 56 has won a AACA 2018 National Award and that his car will be displayed at the Philadelphia Int'l Automobile Show in the AACA section. The show runs from Feb. 3 to Feb. 10 at the Convention center

Tech Tip

The boiling point of your coolant can be changed by changing your radiator cap. The table below explains boiling points for water at different pounds per square inch

CAP PSI	BOILING POINT
6	212°F
10	239°F
15	250°F
20	259°F

The antifreeze mixture also changes the boiling point as indicated on the antifreeze container
