UPDATE

Dear Parents,

Thank you for your continuous support, hard work, and helpfulness as you monitor your children through this unique educational experience. We hope our Lake Castle families are doing well.

Because our teachers, staff members, and students have been working continuously since our campus closed on March 16<sup>th</sup>, we have decided to make next week our "Spring Break!" No assignments will be posted for the week of April 6<sup>th</sup>-10<sup>th</sup>. That time can be used to catch up on previous assignments, review explanations and instructions to verify the students' understanding of certain lessons, or to relax if all assignments are completed!

Additionally, we are asking each student to create a Fourth Quarter Binder organized by subject for all their work (include worksheets, loose leaf pages, pages from their notebooks, and the Assignment Checklist to verify the completion of the assignments by the students). Additional work completed by the student may also be included in the binder. Make sure your student's name is on all the work in the binder.

Next week will also be used to set up an email schedule for upper elementary parents/students so that emails will be sent at designated times. Additionally, schedules for virtual options will be set up, and teachers will continue with the current methods that have proven to be successful. We are very proud of the methods being utilized by our teachers!

Information regarding final grades, assessment, potential binder drop off dates (if safely allowed), and future procedures will be posted at a later date. Also, our Religion Department will be posting Holy Week reflections next week on the Parents' Club Facebook page. May everyone stay safe and healthy, and we thank you for your cooperation and support.
