Engineering Change Notice

In order to give the customer more room to terminate the connector we have increased the length of the housing by 16mm. To protect the latch even better the ridge around the latch got improved (NLT8FX & NLT8FX-BAG).

NLT8FX, NLT8FX-BAG:

OLD: A→24.50mm
B→40.90mm

NEW: A→29.50mm
B→51.90mm

The total length is increased by 16mm longer.
