Live Music Series and Food Tastings at Kospia Farms

Support our local performing artists by visiting Kospia Farms on select Saturdays throughout the holiday season. Musicians play and appetizers are served in store from 1pm - 4pm

Enjoy the vibe and sample tastings we create using local products or appetizers from local restaurants. While in store, check out all the beautiful handmade artisan products from over 70 local artists and businesses.

Stay connected for weekly updates or visit our calendar of events at www.kospiafarms.com.
