## INSIGHTS FROM THE ROAD

### Welcome to our inaugural edition!

Welcome to our first edition of our quarterly newsletter. You've come to know and trust us as City Collections & Bailiffs Services for the last 30 years. Given our growth in Manitoba, and the fact that we are now expanding into Saskatchewan, we are proud to announce our new name of Bailiff Services Inc. Let us help you – the more we can assist you, the more we can reduce your costs. This newsletter will provide you with relevant industry information and timely news that will help you make smart decisions with your business.

On behalf of the whole team, I want to wish you and your families, the very best of the holiday season.

We love feedback – so please let us know what you think. Send us an email at [chris@baliffservicesinc.ca](mailto:chris@baliffservicesinc.ca) to tell us what types of news you'd like to see in future editions.

### We're growing into Saskatchewan

As part of our growth strategy, Bailiff Services Inc. has hired two new representatives in Saskatchewan! Please join us in welcoming Todd Bender and Glen Yaholnitsky to our team. Based in Saskatoon, they will help us to service our clients across the province. [Read more about our team in SK.](#)
